Snowmobile Bylaw

The use of snowmobiles and all terrain vehicles are covered under
 legislation passed by the Province of Saskatchewan and violations of this
 act are enforced by the local RCMP. Persons owning and operating any
 snowmobile or ATV should know what is permitted under this piece of
 legislation. Please contact any member of the RCMP by calling 753-2171 to
 discuss your rights as a property owner or ATV owner.

Complaints under the All Terrain Vehicles Act should be directed to the
 RCMP. As responsible vehicle owners please
 respect the rights of private property owners and members of this
 community. Violations may be issued for excessive noise, intrusion onto
 private property of any other violation covered under the above
 mentioned legislation.
 Town Bylaw 01/10 allows snowmobiles and ATV's to operate in Town limits
 Only for the purpose of exiting or entering the community. When entering
 or exiting the most direct route should be followed.

- Jesus is Lord -

Letter from the Chief

Welcome 2021!!! I'm sure looking forward to what the new year brings. Hopefully we can be back to a more normal life style!! The cold months always give the furnace a work out. Remember to get your furnace serviced regularly and change the filter as well. A furnace that isn't working properly can cause deadly odorless gas to enter your home. Make sure you have a functioning Carbon monoxide alarm installed in your house. This is your best protection and gives you an early warning for what could be a very dangerous situation. Test yours and check for an expiration date on it. If your carbon monoxide detector alarms, get everyone out of the house and open some windows for ventilation. Call your gas company and they can test your air quality and advise you as to what to do. You can also call 911 as well. We have been called out for these on several occasions and have found faulty furnaces twice. Other times we found expired alarms or alarms that needed new batteries.

Electric heaters and fireplaces also see increased use in cold weather. Always use common sense with these types of heaters and make sure nothing flammable is near them. Fireplace chimneys should be properly maintained as well as dangerous build ups can start in them and you could have a chimney fire.

Remember if you have ever thought of joining our department or have questions as to what is involved in what we do, please feel free to contact me or any other member of our department. We could use some new members!!!

Enjoy the winter and be safe out there!!!

Happy New Year All. Stay safe. Have a great year!!

Pat G. Stang, Fire Chief
Macklin & District Fire Rescue
Cell: 306-753-7378

Grandparents Name: _____

Born where: _____ Prov: _____ Email: _____

Birthday: _____ Ph: _____

CHRISTMAS IN OUR TOWN

Well for years we have been hearing that the people of Macklin would like to change up Christmas in our Town, maybe things were getting a bit too familiar! Well, Covid certainly made everyone think outside the box this year and I must admit I feel we came up with a fabulous celebration enjoyed by the Chamber members and Macklin Residents alike.

Congratulations to all the Chamber Bucks winners:

1st winner of \$100.00 Chamber Bucks:

Marlene Chotowetz of Major, SK.

2nd winner of \$250.00 Chamber Bucks:

Colleen Probst of Macklin.

3rd winner of \$1000.00 Chamber Bucks:

Kathleen Yatkowsky

Saturday, December 5th the Christmas in Our Town afternoon events started off with a virtual treasure hunt that saw 16 teams competing for a chance to win one of 3 \$50.00 chamber bucks prizes. The three winning teams were: Team Bad to the Bone (Danyn Sieben & Emma Weinkauff), Team Selzer & Team Germann Family, Congratulations!

There were awesome challenges that the teams had to complete, some easy, some not so easy but fun all the same, judging by the video footage that was submitted!! The chamber would like to thank everyone who participated in this fun activity and thanks to Kelsie V for administering this!

The parade of lights followed at 7:00pm. In an effort to get down all the streets in town, the parade did take at least 3 hours to complete. However, we did have some great volunteer elves that were Santa helpers in handing out the candy bags that were comprised of goodies from different businesses in town. This took a little extra time so no one was missed. Thanks to Shelly C, Christie V, Robin C and Zacc B for making this happen.

Also, a big thankyou to Santa's volunteer helpers: Lucy & Tony Hauck, Jeremy Vokins, Myra Weinkauff, Jolene Tryhuba & Myrna Stang.

It was an amazing event to be a part of whether you were on a float or in your driveway watching. It was so incredibly heartwarming to see firepits and tents on lawns and driveways as we made our way around town. Thank you to all the people who took the time to be out there, cheering on the floats and helping to make it the magical evening it turned out to be!! The Christmas spirit was overflowing!

Thanks to the RCMP and Macklin Fire Department for participating and managing the roadways on the parade route. Also, a big thankyou to all individuals and businesses who had floats in the parade. Rona Lumber, Alliance Developments, Threads, J & S Confectionery, Delta Co-op, Flecks Insurance, Cline's Honey, Sister B's, Lock Farms, T & T Collision, Rosemary Falk, Chamber of Commerce, Marty & Kyla Krushelniski, Gopher Byte computers, Macklin Home Hardware, Battle River Implements, Synergy Credit Union, Slick Autobody

The final event of the night was the fireworks display that was up on the school grounds. This event could have never happened without the help of our local Volunteer Fire Department who set up all the fireworks and lit them all off for our enjoyment. I would also like to thank Macklin School for allowing us to use the facility and to Eldon Germann for playing the music to accompany the fantastic light display!! It truly was the icing on the cake!!

We apologize if we forgot to thank anyone, this truly was a Town effort and we can only hope everyone enjoyed themselves as much as we did!

CHAMBER

Business Spotlight

For the 2021 year, the Chamber is doing an internal "Rewards Program" with our memberships. One of the perks of winning will be to have your business showcased in the next month's Hometown Connection, as well as being given \$150 from the Chamber to do something with; Random act of kindness, Business raffles or promotions, buy your staff a meal, etc.

We started the program at our December meeting & ADI/Threads won as well as Macklin Vac Services.

Threads (Threads at Alliance)

Year it was established: **2019**

of Employees **3**

What's been the biggest challenge for your business over the years?

Threads is in it's very early stages to determine our biggest challenges, however, managing a retail business through Covid-19 in our first year has been more than interesting from restrictions, delays and unfulfillments to name a few.

What's the best perk for your business in a small town?

Our customers and the relationships we've built on trust, service and word-of-mouth is the best perk.

Advice to an Entrepreneur looking at starting up a small business?

If you are passionate about something, take a risk and go for it!

What advantages does Macklin have over other communities its size for Small business?

Macklin has welcomed new businesses & industries into the Community and that is promising for our future business growth.

What is your plan for the \$150 Chamber Member rewards you just received?

We plan to use the \$150.00 for an in-store promotion at Threads. For every purchase made in the month of January, you will be entered to win a \$150.00 shopping spree at Threads

You're at home here.

Alliance Developments Inc.

Year it was established:

The corporation was started in Edmonton in 2003 under the name NovaSask Building Contractors Inc. and in 2009 was renamed Alliance Developments Inc. when we moved our family & business to Macklin

of Employees *Design & Construction employees is 7*

What's been the biggest challenge for your business over the years?

Biggest challenge has been the economy. When we first started up in Macklin, the oilfield was very busy and it was difficult to find young, local employees to help with a busy workload. That challenge started to change as more young people coming out of high school were looking to get into the trades. Then the next challenge with the economy has been the slow-down in the oilfield over the last number of years, and now a pandemic.

What's the best perk for your business in a small town?

Having the opportunity to build a good reputation within a small population, which in turn encourages us to hold ourselves to high standards.

Advice to an Entrepreneur looking at starting up a small business?

You have to be willing to put in the time & effort to get a business started and to keep it running efficiently and healthy. The next part is learning how to put in that time and effort and still find time for yourself and your family so you don't burn out.

What advantages does Macklin have over other communities its size for Small business?

Macklin has a young and active population, as well as excellent social & recreational facilities to serve our community. This helps to retain existing people and bring in new people, which ultimately helps to keep the business community alive.

Macklin Vac Service

Year it was established: *1997*

of Employees *1*

What's been the biggest challenge for your business over the years?

Employing and Retaining good operators for the Trucks

What's the best perk for your business in a small town?

Operating in a small town enables us to know our customers & potential customers personally

Advice to an Entrepreneur looking at starting up a small business?

Be prepared to work harder than you have ever worked in your life, but the reward is worth it.

What advantages does Macklin have over other communities its size for Small business?

Macklin has the advantage of Industry (jobs) and because of that a young labour pool that many communities struggle with. Industry in a community retains young families.

What is your plan for the \$150 Chamber Member rewards you just received?

We split it into three \$50 Macklin Chamber Bucks Donations. 1 will be donated to the Food Bank, 1 will be given to our Partner/Operator of the truck, and 1 will be used for some kind of Customer Promotion

Macklin & District Food Bank

The Food Bank is here to provide confidential assistance in times of need.

What should I do with the snow from my driveway?

It is the policy of the Town of Macklin to clear snow from all streets as soon as possible after a large snowfall with the equipment available. When clearing the snow from your sidewalks or driveway please make every effort possible to deposit this snow onto your own property.

By blowing, shoveling or moving the snow from your driveway or sidewalk onto the street, you are compounding what already is a daunting task.

We understand that there are certain circumstances where this is not possible and in these extreme cases, the street is the only option. Your assistance while removing your snow will allow the Town maintenance staff to quickly and efficiently clean snow from our streets.

Please make sure you are visible and give plenty of distance to Town snow removal equipment when clearing streets.

GOLFING WITH THE PHYS-ED 20/30

The senior physical education class (Grade 11 & 12) were invited by the Macklin Golf Association to use the golf course (introduction to golf). The class started golfing in September and golfed every afternoon, until the course close-up in mid-October. The students were grouped into cohorts of 3-4 that remained the same every day. They would arrive at the course for tee off (attendance)

after lunch and golfed until 3:05 pm every day (this was their class time 2hrs of PED class + Sabre time). The students came into the activity with various abilities and experience. Tee-off on hole one progressed from most experienced to the least experienced. This allowed for better flow for the golfing round.

All students were provided with the option of a golf cart, clubs, tees and balls by the golf course. Some of the students needed the equipment because this was their first introduction to the game.

Brian Oates (course Manager)

during the first meeting at the club house went over expectations, general rules and equipment usage. As time progressed (with advice from Mr. Tough and Brian Oates) there was some huge improvements by the novice golfers through the two months of golfing. The students often expressed to me their enjoyment being outside playing the game of golf. I believe this was a huge success for both the Golf Association and the school. I want to take this opportunity to thank Brian Oates for being so accommodating and patient with the students. We would also like to send an expression of gratitude to the Macklin Lake Regional Association (Derwin Leibel, Kevin Fischer, Bill Scheck, Shayne Vollman, Kevin Ollenberger, Teresa Doetzel, Ryan Flegg, Tyler Klotz, Jason Russel and Brian Oates) for making this happening. Everyone was so supportive and accommodating. They made it very enjoyable and easy to plan.

RCMP MACKLIN REPORT - Nov 17—Dec 14

- RCMP received a report of an abandoned vehicle. Members discovered the vehicle had been stolen from Provost. This matter is still under investigation.
- Police received a complaint of a stolen truck. This matter is still under investigation.
- Members spoke to an individual after receiving a Mental Health Act complaint.
- There were also two traffic complaints.
- RCMP received a request to keep the peace while two individuals exchanged child custody.
- Members acted as mediators in a child custody dispute.
- RCMP received a request to assist Emergency Medical Services. The request was cancelled. Members did not attend.
- A 36-year-old male from Macklin was charged with Assault and Uttering Threats after Members received a complaint of assault.
- Police received a report of a coyote in Macklin. Members patrolled but could not locate the animal.
- Members attended the sudden death of a 57-year-old Macklin male. The death was not suspicious in nature.
- RCMP received a report of a traffic collision. This matter is still under investigation.
- There were also four traffic complaints.

Persons with information about crimes being committed in the Unity/Wilkie/Macklin areas are urged to call the Macklin RCMP detachment at (306)753-2171. If you wish to remain anonymous, you may also call Saskatchewan Crime Stoppers at 1-800-222-8477 or *8477 on the SaskTel Mobility Network.

Veteran Memorial Banner Program

The Town of Macklin is in the planning stages of creating a campaign for veteran memorial banners. We are looking for family members interested in displaying their loved ones who fought so valiantly for us all. If you are interested, please contact the Town Office at 306-753-2256 for further information.

A great reference is the Macklin History Book, pages 223-239.

Should you know of any other families, please pass this information on to them.

Submission of Name, war served, which division they served under and a photo would be required.
