## Macklin Community Drama Presents Mamma Mia!

After attempting to perform Mamma Mia! for two years, the Macklin Community Drama group finally took to the stage on April 1, 2 and 3, entertaining over 600 people over the three performances.

According to some critics, Mamma Mia!, based on the music of ABBA, is "the sunniest of all musicals" and "ridiculously enjoyable." The talent on stage in Macklin proved that those critics were correct. Once again, the cast showed that there is incredible talent in our community. There were so many stand-out performances: Celine Vokins (Donna) was amazing in her first role, moving audience members with her emotion in "Slipping Through My Fingers" and "The Winner Takes It All". Ashley Spykerman (Sophie) once again showed her vocal talents, highlighted in "Honey, Honey" and "Thank you for the Music". Christy Veller (Rosie) and Denise Feser's (Tanya) infectious enthusiasm and humour were illustrated in "Dancing Queen" and "Chiquitita" Jeremy Vokins (Sam), in his first role, was incredible, especially in "SOS". Perry Stang (Bill) and Jim Kowalski (Harry) were once again such steady and confident

performers. Aiden Kletzel (Sky) was so confident in his first role and was great in "Lay All Your Love On Me". We cannot put on a performance without those people in the smaller roles and the ensemble. Senaye Vokins, Katherine Vanhouwe, Gracelyn Loendorf, Della Stang, Derra Gartner, Donna Burningham, Myrna Stang, Carolyn Fraess, Pat Doetzel, Don Golden and Donna Piche were so wonderful in their roles and their dedication was very much appreciated. Obviously a musical depends on music and Macklin Drama is so lucky to have amazing musicians. Thank you to Maureen Stang, Pat Stang, Peter Sieben and Rob Stang for sharing their talents. Once again, Petra Stang, was instrumental in designing costumes that actually amazed the audience when they appeared. We would like to thank Peyton Germann and Kelton Figurski for being the technical crew for our show.

Thank you to the Macklin Arts Council for providing the opportunity to perform for the community and thank you to the community who supports us every year. See you again next spring.

## WEST CENTRAL CRISIS & FAMILY SUPPORT CENTRE INC.

#116—1ST AVENUE WEST  
BOX 2235—KINDERSLEY, SK S0L 1S0

West Central Crisis and Family Support Centre is a non-profit organization that covers a large geographical area of Saskatchewan. The community of Macklin is part of our service area. We are happy to let you know that office space has been donated by the Town of Macklin allowing us to be in person in your community 1-2 days a month. Please call and book a time!

West Central Crisis Centre offers a wide range of services which include but not limited to individual counseling, couples counseling, crisis counseling, mobile crisis response, addictions and mental health supports, matrix program and various community supports. We have recently began a pilot project called FIRST. This program looks at a wide variety of individual, family and community issues. Sometimes, people or families are struggling with finances, addictions, mental health or personal issues that a community or individual has some suspicion of but not complete proof. This program is allowing for calls of concern to come to our office and we can approach the family or individual and assess or offer assistance. Our goal with this program is to get supports in place for people before circumstances get more intense requiring RCMP and emergency response. We look forward to getting into your community and being able provide service.

Our office number is 306-463-6655.

## A FARMER'S CREED

I believe a man's greatest possession is his dignity and that no calling bestows this more abundantly than farming.

I believe hard work and honest sweat are building blocks of a person's character.

I believe that farming, despite its hardships and disappointments, is the most honorable and honest way a man can spend his day on this earth.

I believe my children and grandchildren have learned, and are learning, values that will last a lifetime, which can be learned no other way.

I believe that farming nurtures the close family ties that make life rich in ways that money cannot buy.

I believe farming provides education for life and that no other occupation teaches so much about birth, growth and maturity in such a variety of ways.

I believe that many of the best things in life are free indeed: the splendor of a sunrise, the rapture of wide open spaces, the exhilarating sight of your land greening each spring.

I believe that true happiness comes from matching your crops ripen in the field, your children growing tall in the sun, your whole family feeling the pride that springs from their shared experience.

I believe that by my toil I am giving more to the world than I am taking from it; an honor that does not come to all men.

I believe that my life will be measured ultimately by what I have done for my fellow men, and by this standard I fear no judgment.

I believe that when a man grows old and sums up his days, he should be able to stand tall and feel pride in the life which he has lived.

I believe in farming because it makes all this possible.

Tom Laubman, beloved husband and cherished companion of Karen Martin, of Calgary, AB, passed away on Wednesday, April 13, 2022, just a few days after his 78<sup>th</sup> birthday.

Tom was born in Macklin, SK, and enjoyed an idyllic childhood. He was raised in love by Ed and Lillian Laubman, along with his older sister Cathy (Van Sickle: 1942- November 2021). Tom loved sports and excelled in hockey, baseball, and golf. He delighted Karen, and others, with stories about growing up in Macklin! Playing with friends from morning until nighttime, only breaking from play for meals. Swimming, golf, wandering the town, playing pool, floats at the cafe, hanging with buddies at the Macklin Lake cabins, community dances, and the family band. When pals weren't available Tom enjoyed wandering in and out of the local businesses, chatting with "the big boys" and men, watching the mechanics, checking out the farm implements, looking through the hardware store inventory and helping out at his dad's elevator. Karen was ever curious about his Tom Sawyer-like experiences, as there were many!

At heart, and demonstrated over a lifetime of daily actions, Tom's love and focus on his family were ever present. Tom married Judy Froh and they raised Shauna and Andrea Cori in Regina, Redwood Meadows, and Cochrane. On New Year's Eve, 1984, Tom married Karen Martin, in Victoria, BC, and I brought Andrea Lee, Jody, and Greg into their blended family. Ashley Jayne completed the "yours, mine and ours." Tom felt our success and happiness as a blended family was derived from a commitment to love and hard work to ensure all the children knew they were truly "ours." Tom's eldest daughter, Pari, grew up apart from us, but remains cherished by Tom's family. He was a caring son to his aging parents, and a loving and devoted partner, but Tom thought his role as a father came completely joyfully and naturally to him. It was his greatest source of success and happiness; his children and grandchildren were each a marvel to him! Tom was grateful for the fine partners our children chose, and how each one has demonstrated love and commitment to their own families. He valued time with his sons in law: Craig Ruff, Matthew Rimmer, Jason Dick, Tim Neuls, Steven Mercer and Aaron King, and daughters in law Janine Whitney Quinlan and Pam Malekos. Tom rejoiced in the birth, growth, and the accomplishments of his grandchildren. Each one a unique and special person to him. Janae and Dannica Ruff, Luca and Isaac Rimmer, Evan and Joelle Dick, Quintin, Lucia and Nate Neuls, Dan and Jackson Malekos, Alex Martinez, and Amber and Tommy King. They will miss their Poppa's love, patient support and precious times going on adventures and telling him all about their challenges and successes.

Tom obtained three university degrees and enjoyed being a teacher and school administrator in Regina, Calgary, Three Hills and Trochu. After an early retirement Tom obtained credentials to assess and assist children with learning challenges, and the many years spent in this role were some of his favorites. Tom also enjoyed working a summer at Frere's Ranch, teaching English as a second language, managing the Trochu Lions campground, and working on Trochu town counsel.

Tom's appreciation of community and small towns made Pescadero, Baja Sur, Mexico such a good fit for wintertime snow birding and retirement. Tom and Karen drove a variety of RV rigs back and forth to the Baja for more than a decade. Tom so enjoyed a road trip in his truck, he loved the beauty around Pescadero, the people, the pace, and the beaches. He admired the beauty of the Spanish language and so enjoyed its study, especially with his gracious teachers at Hablando Mexicano, in Todos Santos. Tom greatly enjoyed all water related activities and he and amigos spent many days kayaking, boogie boarding, and snorkeling together. Karen is thankful to all Tom's amigos, because I just couldn't keep up with his energy level and persisting desire to explore. Winters in the Baja were made all the sweeter by many, many family visits and time with good friends.

Macklin, SK, remained a fundamental part of Tom and he remained a small-town kind of guy. He was down to earth and never impressed by 'glitz' regardless of its form. He was never petty and genuinely found happiness in the success or accomplishments of others. Tom was a kind, gentle man and he was happiest when he was helping and doing. He was extremely generous with his time and talents. He valued effort, hard work, and was never a complainer. He loved traveling, hiking, and camping, but mostly only in the Baja! Annual summer family camping trips and boating were highlights for Tom. As was golfing with his girls. He loved teaching the grands to water ski!

When Tom was diagnosed with a late stage lung cancer last fall our family was in shock. True to character Tom never complained and tried all he could to retain his health. But, illness progressed quickly, and it seemed each week a new health challenge and another loss was experienced. In the last while the cancer moved to his bones and pain was a constant fiend. Despite the care and support of many to enable Tom to stay at home, his pain and debility required a move to the Agape Hospice for a short time prior to his death. At Hospice we met skilled and compassionate staff who sought to ease Tom's pain and sooth all of our spirits and for that we are grateful.

The weight of our emotional and physical burden has been eased and carried upon the hearts and shoulders of family, friends and community. Karen is grateful for all who reached out and who kept the family close with prayers; and thankful for visits, food, calls, texts, smiles and hugs

Our family would like to express gratitude to the NW Palliative Homecare Team as help was always a phone call away. Additionally, thank you to the Safeway Montgomery Pharmacy staff, who were kind and attentive as they organized and reorganized a changing supply of medications. Thanks to the Tom Baker outpatient and inpatient staff who somehow helped us balance hope with pragmatism. Gratitude to strangers who donned a mask and offered an arm to help a suffering man, vulnerable to illness and fighting for life. Grateful to our daughters' employers who, amidst one COVID staffing crisis after another, supported their absence from work while they helped care for their dad; thankful to Dr. Reid McLean-Weist for many years of care and who always offered Tom time for genuine connection. To the close friends of our children, you may not all know us, but we know of your love and support to our children during these sad and challenging days and we are so grateful. I am especially grateful to Ken and Ruth King for helping with the love and care of our little grandchildren, when we could not.

A letter from Karen to Tom

"Though my grief is great, my gratitude and love is greater - for the tireless support and devotion I received from such a fine man, for the generous and loving father you were to our children, for the kind and caring man you were to family, friends and community. A life well lived, my love, a life well lived! I will cherish you every day of my life. I will be thankful in all circumstances."

Condolences, memories, and photos may be shared and vi

## Prairie Sunset Music Festival Celebrates Return to Live Festival

From April 11 to April 13, Prairie Sunset Music Festival participants and audience members were delighted to experience a return to live performances after a two-year hiatus due to Covid. This festival, which rotates among Macklin, Luseland, and Kerrobert, took place in Kerrobert this year.

Participants entered in the categories of Piano, Instrumental, Speech, and Vocal. Jackie Golden, President of the Prairie Sunset Music Festival, was happy to report a slight increase in the number of entries for 2022. After the cancellation of the festival in 2020 and the virtual format of the festival in 2021, this is a significant achievement.

After three days of impressive performances, scholarship winners were invited to showcase their talent and celebrate their achievements during the Festival of the Stars on Thursday, April 14<sup>th</sup>. Audience members were treated to exceptional performances ranging from cello, violin, guitar, and piano to vocal, speech and dramatic arts performances.

The most prestigious awards in each of the categories were awarded to Alexandra Summach (Piano) and Brooke Bruce (Wallis Memorial Scholarship for Piano), Eliana Bakanec (Instrumental), Willem Hoogstad (Speech), and Liné Linde (Vocal). The adjudicators awarded provincial recommendations to Liné Linde, Steyn Hoogstad, Willem Hoogstad, and Alexandra Summach. The Provincial Finals of the Saskatchewan Music Festival will be held in Saskatoon from June 2<sup>nd</sup> to June 5<sup>th</sup> this year.

The Prairie Sunset Music Festival Association expressed their appreciation for the generous support of the patrons of the festival. They also thanked the community volunteers and committee members.

After such a successful Music Festival, participants and audience members are already looking forward to the 2023 Prairie Music Festival that will be held in Luseland!

## 2021-2022 Hockey Awards

Macklin Minor Hockey Association held their annual Minor Hockey Supper on Tuesday, April 5<sup>th</sup> for parents, players, family members, coaches, and anyone else that plays a role in minor hockey. We would like to again congratulate all teams on an extremely successful 2021-2022 hockey season. We would like to congratulate players who won awards this season (pictured below), and we would like to thank the referees (pictured below) for the countless hours they put into games. Without them there would be no hockey. Finally, another big congrats to the teams that made it to league and provincial finals and to those that brought home provincial and league banners. We look forward to hanging them up in the arena soon!

### U11 Western Prairie Wildcats

The U11 Western Prairie Wildcat all girls team consists of girls from Macklin, Unity and Wilkie. After only practicing 6 times together as a team, the girls completed in the March Ice Hockey Tournament in Saskatoon from March 18-20.

Back Row: Piper Johnson, Lexy Cowie, Samantha Cowie, Brinley Headrick, Londyn Gette, Emry Gumpinger, Emersyn BroHead  
Coach: Stephanie Baier Front Row: Bentley Baier, Sydney Gette, Ashlyn Brown, Jesse Cooper, Tenleigh Schachtel, Mailey Pernitsky

Hello from Senlac Multiple 4-H club.

We would like to say thank you to everyone who came out on Saturday April 16 and supported our Easter Cake Bingo. It was a great evening celebrating community.

We have been busy the last month. April 22 we did some ditch picking in RM of Senlac, April 23 some members attended a beef grooming clinic in Lloydminster, on April 24 some members attended a judging clinic in Lloydminster. Taylor Patrick placed third in one class, Kyle Whitney placed second in grains and third overall intermediate. Devon Whitney made the NW judging team which will move on to provincial competition in Saskatoon. We are also planning to ditch pick in the RM of eye hill in the next week. We are all busy completing our record books and perfecting our projects.

Our entire club would like to invite everyone to come out and watch our members demonstrate all their hard work at our achievement day on May 28 at 1 pm at the Senlac arena. The project demonstrations will be from all projects, archery, crafts and beef. There will be a community BBQ before the show begins.

We still have a few tickets for our fill the freezer raffle (first prize is half a beef cut and wrapped, second prize is a pork cut and wrapped, and third prize is cook books, a stepping stone and a tote bag). Please contact any member to inquire.

We may also have some beef for sale from our beef members, please contact any members for more information.

We will be heading to Lloydminster expo for a regional 4-H show on June 5-6, which is also open to the public. Thank you for all of the ongoing support! Taylor Patrick, club reporter

### Twilite Senior Ball Donates

The Macklin Lakers Twilite Baseball team would like to thank everyone that helped in any way to make the 2021 Championship a resounding success. Through community sponsorships we were able to provide all the visiting teams and spectators excellent facilities and an outstanding baseball atmosphere. Pictured is Don Crich presenting a cheque in the amount of \$5,000 to Mel Cowie of Macklin Minor Ball. The profit from this tournament will be used by Macklin Minor Ball to complete further improvements to the ball facilities.

*We thank all applicants for their interest, however, only those applicants selected for interviews will be contacted.*

## NEWS FROM THE FIRE HALL

Hello all from the Hall!! We have had a fairly quiet month at the hall. This winter refuses to let go and we have had to endure many days of icy roads. We have been lucky however and have not had to help anyone because of this. Good driving out there people!!! If you are planning road trips, always do a quick check of the weather, as it and the road conditions can change very quickly.

We have had reports of people out on the ice down at the lake recently. I cannot stress enough how dangerous this is. The warmer weather, sun and wind cause the ice to become very "rotten" and unpredictable. It may seem thick and solid, but it is not. If someone falls in, rescues in these conditions are very tricky and dangerous. PLEASE use common sense and watch out for young ones playing around open or frozen water.

As strange as this may seem, we are also getting into the Spring season and the ditches along the roads can dry out very quickly. This means it won't be long and we will be seeing grass and field fires again. These types of fires happen every spring before the grass turns green. They are very challenging to put out as the straw and grass is dry on top and the soil is very soft and muddy underneath. Also, our ever-present winds cause them to spread very quickly. Some departments in our area have already been called out for grass fires and there was a major grass fire in the Saskatoon area that

spread very quickly because of strong winds. Always be careful when discarding cigarettes and we really recommend no burning of fire pits or burn barrels now until the grass greens up.

Our fundraising efforts continue for our upgraded rescue tools. We would really like to thank Tim and the gang at Bumper to Bumper for their very generous donation. If any individuals or businesses would like to donate to this project or if you have any questions about what we are trying to accomplish, please feel free to talk to Justin Bast, myself, or any other member of our Department.

Our department is always looking for new members and right now we are at a 12 year low for active members. If you or anyone you know has ever thought about joining us, please give it serious consideration right now. Time commitment involves 2 meetings a month and between 25 to 30 calls a year. Most calls average between 1 and 2 hours. We have awesome equipment and a great crew to train with!!! If you have any questions, please feel free to contact me.

That's all from the Hall. Stay safe out there everyone. Have a great Spring!!

### **MACKLIN KINETTE CLUB**

April snow brings.....

Hopefully by the time everyone is reading this, our Weather has made a turn and is finally nice!! We do need the moisture, but I'd be happier with rain in April than snow.

Sunday April 10<sup>th</sup> our Kinetite Club hosted an extremely successful “ZONE A” conference for the KIN groups in our Zone which consist of clubs in: Lashburn, Lloydminster, Unity, St Walburg, Meadow Lake, Maidstone, It's the 1<sup>st</sup> ZONE conference we've been able to have or attend in 2yrs and it was amazing to gather again!

We have lots on the go; we are planning on hosting a Garage sale the end of May (See this publication for more details), as well as doing some more work to the Project park, and possibly having another Booze or Bucks raffle draw to kickstart Summer. And YAY – we get to start planning the Bunnock Beer Gardens again!

We enjoy being busy and active but our top priority is having fun and supporting each other. So if you or anyone you know is looking at getting more involved in the community, we would love to have you come check out a meeting, or lend a hand at a fundraiser & see if you think we'd be a good fit for your life!

We have no age limit and are a gender-neutral club. We meet the 2<sup>nd</sup> Monday of the month @ 7:30 in the Kinsmen room @ the Credit Union Legacy centre.

**Synergy** Aquatic Centre

We are now accepting Kindergarten Registrations for the 2022-23 school year.

Kindergarten is open to all children who will be 5 years old before December 31, 2022.

Application forms can be picked up at the Macklin School office or submitted online at <https://registration.lskysd.ca/General>

### Pre-Kindergarten Registration

We are now accepting Pre-Kindergarten Applications for the 2022-23 school year. Children are required to be either 3 or 4 years old and potty trained to apply. As enrollment is limited, it is determined by availability and student need so those with the most needs will be accepted into the program first.

Application forms are available at the Macklin School office or you can apply online at <https://registration.lskysd.ca/PreK>
