Your best place for community events, information, advertising and much more!

Brought to you by the Macklin Chamber of Commerce

KINETTE'S CELEBRATE 50 YEARS

Current Club picture: Back row L-R: Lori, Christine, Kayla, Stef, Wendy, Shirley-Ann, Kelli. Front Row L-R: Carry, Kaleen, Justin, Courtney, Katy Missing: Alana, Steph, Janel

2022 marks 50 years that the Kinette Club has been actively involved in Macklin and serving the community's greatest needs. We thank you for your continued support throughout the years and we look forward to continuing our service to the community. Throughout the years we have seen many changes to the town and to our organization. For example, in 1972 you could only join the Kinette club if you were married to a Kinsmen member and had to leave the club once you turned 40 years of age. If this were true today, a majority of our club wouldn't even be eligible to volunteer! Proof that change isn't always a bad thing.

As a child growing up in Saskatchewan, I associated Kinsmen and Kinettes with TeleMiracle. As an adult and member of Kin, I see the difference that Kin and volunteers makes in our community. In some ways, it is the obvious displays of Kin, like the arena advertising, ball diamond or park. In other ways, it's the small acts of service such as supporting a TeleMiracle bingo at the Villa, serving lunch at community event or giving a donation to someone in desperate need of help. Throughout these past 50 years, thousands of dollars and volunteer hours have gone back into the community because we know that every small thing we do can in some way make someone's life easier. If we have helped you or made a difference for you in the past, we'd love to hear from you!

We continue to change and adapt to serve our community's greatest needs and we invite you to join us on our journey of the next 50 years. Anyone age 19 and over, regardless of age or gender is welcome to join our organization. We meet the second Monday of the month at 7:30PM in the upstairs meeting room at the Communiplex. Our next meeting will fall on Thanksgiving Monday – so it has been moved to Tuesday, October 11th. If you have any questions, please feel free to reach out to us at macklin.kinettes@gmail.com. Hope to see you there!

Saskatchewan Health Authority

Saskatchewan Health Authority and Macklin Medical Clinic are pleased to be able to

offer the community the part time physician services of Dr. Deena Shah and Dr. Nathan Choong.

Dr. Shah was born and raised in Ontario and completed her medical school training in Dublin, Ireland at the Royal College of Surgeons. She then spent 2 years in North Battleford where she completed her residency. Dr. Shah will be available for patient appointments every Wednesday at the Macklin Medical Clinic.

Dr. Choong comes from Toronto and completed his medical school training in York, U.K. He is also familiar with Saskatchewan as he spent part of his residency training at Unity under Dr. Williams. Dr. Choong will be available for patient appointments every Friday at the Macklin Medical Clinic.

Our Nurse Practitioner, Louise Peterson, will continue to be available for patient visits from Monday to Friday. Clinic hours are Monday – Friday, 9:00 – 12:00 & 1:00 – 4:30. Call (306)753-2366 to book an appointment..

Macklin Transit Service

The Macklin Transit bus is operating a weekly schedule for in town transportation.

To initially gauge public support and the amount of need a pickup service will be available every Tuesday from 9:00 a.m. until 4:30 p.m. **NOW OPERATING!**

**Door to door pickup can be arranged by calling the
Town Office at 306-753-2256.**

Cost is \$2.00 per round trip subsidized by a generous donation provided by Trilogy Oilfield Ltd.

There is also an opportunity to make special trips to nearby communities for appointments, these trips are subject to the availability of a driver and payment of additional travel costs. If there is enough participation from the community, we will consider expanding the service to additional days and locations.

Macklin Vacation Bible School

Macklin Vacation Bible School was held from August 22 to 26 this year. Thank you to everyone who made the week possible for the 75 children attending Macklin Vacation Bible School in "God's Big Backyard". Throughout the week we learned about Serving God. Each day extended the lessons in serving as we learned to Serve Family, Serve Friends, Serve Neighbors, Serve Community and Serve Jesus. This year was a special closing program as the children practiced serving by spending time sharing the week's stories and songs with the residents of the Villa Marie. We especially thank the many people who helped each morning, everyone who donated snacks and the VBS helpers: Emily Hollman, Emily Scheck, Shaylyne Sieben and Kathy Doetzel. We also thank Macklin Daycare for bringing children and staying to help. A special thanks to St. Mary's Roman Catholic Church, Grace United Church and 601 Sir Max Aitken Air Cadet Squadron for the use of their facilities; Villa Marie for welcoming us to their 'big backyard'; the many individuals who supported VBS financially; and the following businesses who donated merchandise or services: Delta Co-operative Assoc. Ltd - Macklin Branch, Macklin Subway and Donald L Isaman Professional Corp. Thank you and God bless you.

Macklin Lakeview Cemetery Project

The Macklin Lakeview Cemetery Committee has been moving forward with the cemetery improvement plan as time and funds allow. Currently the concrete pilings for the stone pillars has been installed and initial landscaping is underway. The original entrance sign leading into the cemetery will be removed shortly and sent to Kohlman's Machine & Welding for repair, expansion, and powder-coating.

The committee has decided to use the individual stone pillars as dedicated commemorative spaces available for sponsorship. There are 26 permanent stone pillars being constructed to support the wrought-iron perimeter fence. Through a donation of \$3,000 a commemorative plaque will be inlaid within a stone pillar to forever recognize your contribution towards this project.

To date, 12 pillars have been purchased leaving the remaining 14 available. If you have been thinking about providing a donation to this project please don't delay, the last available pillars are available on a first come basis.

Tax deductible receipts will be issued for all donations. For further information on the stone pillar dedications or other donation opportunities, please contact the Town of Macklin at 306-753-2256 or town.macklin@sasktel.net

Donations can be made payable to:

NEWS FROM THE FIRE HALL

Fun fact!! This is the 100th year that Fire Prevention Week has been held. It started in 1922 and has been held every year since then. The theme this year is "Fire Won't Wait. Plan Your Escape" We are already working with the teachers to bring some of the young kids from the school to come and visit us at the hall. We love having the kids come visit us every year and every year we all learn something. We talk to them and they certainly talk to us. They always have lots of questions. This year we will be talking about home escape plans. This is a very good time to talk to your family about your plan. Is there 2 ways out of every room? Do you smoke alarms and CO detectors work and or they less than 10 years old? Where do you all go in the event of a fire? When we talk to the kids at the hall they all know where they are supposed to go when the alarms go off at school, but when you ask where they go when the alarms go off at home a lot of them are not so sure. They know at school because they practice. Do you practice your escape plans at home? In the spirit of Fire prevention week let's all check our smoke detectors and practice our home escape plan. Remember "Fire Won't wait. Plan Your Escape"

Membership wise we were able to get two new recruits. Welcome to the Department Andersen Bast and Aiden Knox. We are always happy to introduce new members. We could actually use another 3 or 4 members to get our numbers up to where we would like to see them. If you have ever thought about joining or have any questions please feel free to talk to me or any other member of our department. Lots of our members have over 20 years on the department. That should tell you it is a very satisfying and rewarding way to help your community. Come out a see what we are about!!!

We would like to congratulate Terry Elder. He received his 25 years of service pin from the Provincial Government. Way to go Terry!! Rod Soderlund retired this year from our department as he is moving to another community. He will be missed at the hall and on calls. Good luck in your new town Rod.

Call wise we have responded to more calls this year, so far then we usually do. We have attended 9 motor vehicle accidents already and we have had to work on 5 fire scenes. There has been 7 false alarms which is up from last year. Counting these and some other different calls we are already at thirty calls which is slightly above our average call volume. One call that really stands out for me was a call to a field fire when it was 36C outside. We were called out just after 1 PM and were on the scene until after 7 that evening. That was a long hot day and everyone was glad to get back to the hall. I would like to thank the local area farmers who showed up so quickly with water trucks and tractors with double disc. You all definitely make a huge difference that day!!!

Please remember it is still very dry out and the risk of field and grass fires is still very high. Please be careful discarding cigarettes and any burning of pits or garbage is not recommended until the snow comes.

Be safe out there everyone. Enjoy the beautiful fall colors!!

Pat G. Stang

DID YOU KNOW THAT THE TOWN OF MACKLIN HAS OVER 200 DOGS REGISTERED?

With a population of about 1300 people that is a rate of 15% owning a registered dog. With so many people who love dogs and many others who don't, here is a breakdown of some responsibilities dog owners have in this community.

- All dogs within the Town of Macklin are required to obtain an annual license.
- If yard is unfenced, the dog must be kept a minimum of three (3) meters away from the public sidewalk, roadway or property line.
- The Owner of a dog shall ensure that it is not running at large.
- The Owner of a dog shall ensure the dog does not enter a school playground or sports field.
- No person shall own or shelter more than three (3) dogs, over three months of age, on any property.
- The Owner of a dog shall ensure it never defecates on public or private property.
- The Owner of a dog shall ensure their barking does NOT disturb surrounding neighbors.
- The Owner of a dog shall ensure the animal does not upset any waste receptacle and scatter the contents.
- The Owner of a dog shall ensure the animal does not bite, chase, or cause physical harm to other animals, bicycles, automobiles or human beings.
- The Owner of a dog must keep their animal always leashed when in public.

The Town of Macklin strives to ensure that dogs, their owners, and neighbors live in safety. The responsibilities and liabilities fall onto the dog owners. The Town of Macklin has an aggressive enforcement and fine protocol. If the owners of dogs neglect their responsibilities the Town of Macklin has the following Bylaw Ticket infractions to impose:

TOWN OF MACKLIN ANIMAL FINES

Section	Offence	1 st Offense	Subsequent
3(1)	Fail to have current dog license	\$100	\$200
3(5)	Give false information when applying for a dog license	\$250	\$500

On Monday, October 31st members of the Macklin School Student Representative Council (SRC) will be trick or treating for the Macklin Food Bank.

Each year the SRC spends Halloween canvassing the town for donations to the Macklin Food Bank. We will be starting this year's canvas at 6 pm. If you will be away that evening, feel free to leave items on your steps or drop off at the school between 8 am and 4 pm. Consider donating canned or boxed food, personal care items (shampoo, soap, tampons, diapers, etc.) cleaning supplies, or paper products (paper towel, toilet paper, Kleenex). Monetary donations will also be accepted.

Thank you for ensuring that any food items donated are not expired. We do our best to ensure that we do not miss a house during the drive, however, if your home is missed, donations are always accepted at Macklin Coop Food Store.

Museum Haunted House

We're Back!!

October 27th and 28th

7:00 to 9:00 p.m.

Admission \$5.00 per person

Must be in Grade 5 or older to enter

We will Not tolerate any verbal or physical abuse.

OUR STORY IS DRIVEN BY INNOVATION.
READ ABOUT WHERE WE CAME FROM
AND WHERE WE'RE GOING.

What do the origins of Synergy Credit Union have in common with a seven-year drought and a brutal recession? The answer lies in the 1930s. In the dustbowl

of the prairies, thousands of people were losing their jobs and homes. Two dreams helped people sleep at night. One, it could rain, and two, the bank might give them a loan. Sadly, there was no rain, and the banks closed their doors.

Just when it looked hopeless, a group of tenacious individuals got together and said, "enough"! They decided to figure it out on their own – pooling their resources to care for each other. This is how they created their own financial institution, inspired by cooperative principles known as a credit union.

Before long, there was a credit union in almost every community. Previously desperate Saskatchewanians were now member-owners of a financial institution!

An idea this good had to keep going, and it did. Credit unions kept building momentum even when times got better and the banks returned. While they followed banking trends, they also blazed their own trails – such as being the first financial institution to offer payroll deduction services for deposits and loan payments.

Through the 1940s, banks were making huge profits. However, credit unions decided not to line their shareholders' pockets and instead gave the money back to their communities. By 1946, the war was over, and Saskatchewan credit unions started to literally share their profits with their members.

In the 1950s, banks became rich while, on the other hand, the credit unions kept asking what they could do for their members. By the mid-1950s, credit unions picked up the idea of credit cards and rounded out the decade by introducing Canada's first open mortgage.

In the 1960s, credit unions got their first computers, and their members could update their passbooks electronically - a big deal when it came to efficiency and accuracy.

In 1971, credit union members could drive up to the window of their credit union and do their banking! In this same decade, credit union members were able to open RRSPs.

Adding convenience in the 1980s, credit union members could use their member cards to grab cash from ATMs. Credit unions also made telephone banking a thing!

In 1993, they made it possible to pay for things in the store with your member card. By 1995, they set the stage for online banking while still offering in-branch services to those who didn't trust the internet quite yet. As the 1990s ended, credit unions introduced Interac e-Transfer®.

In 2007, iPhones made their debut, setting the stage for mobile banking. As usual, credit unions were being innovative with ideas like chip technology and digital payments. Another big thing in 2007, we became Synergy Credit Union— ushering in a new era of member-focused banking innovation across Saskatchewan!

Today more than ten million Canadians are members of credit unions.

So, what's next?

Like everything credit unions have done in Saskatchewan, it is about you as a member. How you manage and spend your money soon will be based on your financial data, which you will get to control and decide who can access. This emerging platform is called open banking. Driven by digital technology and your needs, open banking will make it even easier for you to control your money.

Driven by digital technology and your needs, open banking will make it even easier for you to control your money.

Much has changed since the first Saskatchewan credit union was formed in the '30s, it's just as important to look at what's stayed the same. We're with you through thick and thin, rooted in tradition and honest values, and driven by innovation

to help you reach your financial goals. This commitment to you has defined our entire story, which will never change. That's a promise. Stay tuned. It's only going to get better.

MACKLIN LIBRARY

October is Canadian Library month and the 16th to 22nd is Saskatchewan Library Week. To celebrate we are hiding tickets in various books throughout the library. Find one in a book you have checked out and turn it in for a prize! We will also have kid's craft bags available again – a different Halloween craft every week. Come grab one!

The annual SLA Book Spine Book Poetry contest is from September 6th to November 1st. Create a poem from book titles and submit to win! Also, the Notice Nature initiative runs until October 31 - returned bingo cards will be entered in a draw for prizes as well.

The "Authors Born In" display for October includes Anne Rice, Robert Jordan, Nora Roberts, and R.L. Stine to name a few. Come check it out!

Questions? Call Jennifer 306-753-2933 or email
