MACKLIN KINETTE CLUB

Hello Macklin!

We hope everyone has been able to enjoy some of the beautiful fall that we have had thus far. The Kinette's are well into the swing of things planning some upcoming events for the year and donating to some worthwhile community initiatives. Here's some things that we have been apart of:

1. Vaccine Fridge: Kim Leibel (Public Health Nurse) has been fundraising towards Macklin's own vaccine fridge as all vaccines currently have to be picked up from Unity for each vaccination clinic. The cost of a specialized temperature regulated fridge is approximately \$6000. The Macklin Health Foundation has generously donated half of the cost of the fridge but Kim is still looking for additional funds to reach her goal! Please reach out to her if you are interested in donating

2. Annual Toy Bingo/ Scavenger Hunt: This fun kid-orientated event will be held this upcoming November. Please check our Facebook page for event information as it becomes available!

3. Food Bank: The Macklin Kinette's have donated \$1000 to the Macklin Food Bank

4. Senior Girls Volleyball Provincials: We would like to welcome all of the teams to Macklin and wishes everyone a safe and fun weekend! We are also proud sponsors of the event this year

We are pleased to present a \$500 cheque on behalf of our club towards the vaccine fridge

Hey All from the Hall!!

Hope you had a safe and fun Halloween. We had lots of fun at the Firehall last month. We had over a 150 kids come and visit us during Fire Prevention Week. The theme this year was "Fire won't wait, plan you escape" so that's what we did. First we talked to the kids from the school about how escape plans work and how important it is to have working smoke detectors and a family meeting place. I hope when the kids came home that day they asked their parents to check the smoke detectors and talk about where the family would meet outside the home in the event of an emergency. As always the students were very attentive and ask lots of questions. Then we showed the kids a house we had build out of cardboard in the hall. They were told they would have to crawl through this maze and find their way out the other side. They went into the house in pairs and were told to stick together, find their way through and then come to our meeting place. They were given a flash light and the house was filled with fake smoke. They had a great time and lots asked if they could go through again. We said they could but they couldn't use a flashlight for the second try.

They had a lot of fun. After they all went through we talked to them about the importance of staying low and staying calm if the event of a real fire and how the smoke makes getting out more challenging. They were a great group this year and we had a lot of fun. I would like to thank Cody and James for helping out that day and Cole, Terry and Therrin for helping us set up smoke house.

I would also like to thank Macklin School and the teachers from Pre K to Grade 4 for bringing their students to the hall. Thank you Mrs. Barr for setting up the schedule for us. After all the kids were done we entered all their names in draw for a ride to school in a fire truck. This year's lucky winner was Nash Bartlette. When I call his teacher, Mrs. Germann she said "Wow that is so cool and it is on his birthday too!!!" Thank you Lance and Ty for picking up Nash and getting him to school with light and sirens going. His classmates were lined up on the sidewalk and cheering as we drove up. So much fun and a great morning. Happy Birthday Nash.

Just a reminder it is that time of year now when the weather can change very quickly and so can the road conditions. If you have a set of winter or ice tires now would be a good time to get them installed. Be safe and drive careful when the road conditions change. (See, I never said snow) Be safe all and have a great November!!

MARTY BAST 1950—2022

The family of Marty Bast would like to extend our sincere thank you to everyone for the acts of kindness and compassion after Marty's passing. We cannot put into words the gratitude for everyone who took the time to attend the funeral, send flowers, texts, cards, prayers, shared memories, memorial donations and food to our homes. Thank you to the many visitors we had over the time it took to get Marty home and laid to final rest.

It is at times like this you realize what a unique experience and absolute treasure it is to be from a small community where everyone knows everyone and actually cares about their neighbours and friends.

We are truly overwhelmed with every act of kindness show to us.

Thank you to Gregory's Funeral Homes and Jerr, you made an exceptionally hard time into something that was special and tailored to our families needs. You are great at what you do! Thank you to David for the special words, the lectors, Marty's sisters and choir for assistance at the mass. Thanks to the CWL for serving the lunch after mass.

All who have touched our lives have brought comfort during this difficult time.

Thank you,

Rose
