

# MACKLIN & DISTRICT HOMETOWN CONNECTION

Your best place for community events, information, advertising and much more!

Brought to you by the Macklin Chamber of Commerce

## CHRISTMAS IN OUR TOWN 2022

The Macklin Chamber of Commerce organized the annual Christmas in Our Town on Friday, December 2nd. Even with sub-zero freezing temperatures people still came out to see Santa at Santa's Hut, go for a sleigh ride, check out the museum, library and stop in at all the local business open late to help with all Christmas shopping needs. The Macklin Credit Union Legacy Centre also hosted a Mall in the Hall which brought vendors from all over selling all sorts of goodies to fill everyone's stockings.

The Foodbank saw many generous donations from the community members to help fill up the shelves.

There were three winners of the Christmas in our Town Chamber bucks draw: \$250 went to Bridget from Bodo, \$500 went to Ty Stang, \$1000 went to Lynette Steinhubel. Congratulations!!

This year with the cold weather the Chamber Cup was held at the School gym. All teams played hard and fun was had by all. The Chamber is always looking for new ideas and volunteers to help with this yearly event. Please feel free to contact any of the members for more information on how to join.

### News from the Hall

I am writing this column on Dec 22 for a release in the new year. So I hope you all had a safe and happy Christmas full of fun, food and family!! Happy New Year to all of you from all of us at the hall. May the New Year bring you lots of joy and maybe some new and exciting adventures.

When I was writing this we were right in the middle of our third cold snap of the season. Seems like this year Old Man Winter is trying to prove something!!

I would like to offer some safety to tips to help when the next frigid air system hits us.

- Plug you car in if you can if it has to sit outside. You never know what might happen that would make you need your car on short notice.
- If you have to travel a long way make sure you vehicle is in good working order, has lots of fuel in it, your phone is charged and someone knows your travel route.
- Always keep some survival gear in you car. A Blanket, good boots, warm clothes and gloves.
- Usually the safest place to be is in your car if you run into the ditch or get struck. It is very easy to get lost or disoriented if there is lots of blowing snow and you try to walk to get help.
- Watch forecasts and road conditions. If the forecast is for snow and blizzard like conditions do you really have to venture out.
- If you are using extra heaters and cords to help heat your house make sure the cords are in good shape and keep a safe zone around your space heaters.
- Never leave lit candles unattended.
- Fire place chimneys should be checked and cleaned by a professional on a regular basis.

In 2022 we responded to a total of 30 calls. This is up from our average of just of 26 calls a year. It is split pretty well evenly between structure fires, field fires and motor vehicle accidents. We did get more false alarms this year than the previous year. One of the calls that really sticks in my memory this year was going to a large field fire on a really hot day. The temperatures were in the mid 30's that day and we were all very glad to get home that evening and get a break from the heat!!!

We also have been called out twice so far when the temperatures were below minus 30. Once for a accident and the second call for a structure fire. It is always interesting to pump water in extreme cold but the truck performed very well and we got the fire out very quickly. That fire could have ended up with a lot more property damage than it did and it is very satisfying to have everything work out like it did that day.

Since the beginning of 2003 we have responded to over 530 calls.

Membership wise in the past year we had one member have to move to a new town but we gained 2 new ones and have a third person expressing interest in joining. We usually have about 20 members but we can always use more. IF you have ever thought about joining our department please feel free to talk to Justin Bast, myself or any other member of Macklin and District Fire Rescue.

I would like to thank all of our members for their time and commitment this past year. I know that every time we get called out these people are all trained and ready to work in the fastest, safest way possible to help the people who need our help. I am so proud of our crew, equipment and the trucks we have in the hall right now. We are very lucky to have what we have. Thank you also to our spouses or significant others who also support us and who understand why sometimes we just leave in the middle of the night for a call. I know a lot of them don't fall asleep again until they know we are safely back home. Thank you to the bosses and businesses that let us leave our jobs with no notice at all. I would like to that Chief Justin Bast for all the extra time he spends doing all the paper work and all the other duties that are required from a Chief. He spends a lot of extra time at the hall and we are all better off for it. Also thank you to our Fire Board for their time and dedication to making our department better!!

That's all from the hall!!!

Have a great 2023. Be safe and take care everyone!
