WILDLIFE SUPPER

Macklin Wildlife Federation held another successful Awards banquet on January 14th. The annual sold-out event is one of the clubs' biggest fundraisers, with proceeds going back into various projects and programs around the community. The Club went above and beyond with the delicious food options that were prepared, guests could be found trying various cuts of Moose, Elk, Deer, Wild Boar, Rabbit, Fowl, and Fish. After everyone had enjoyed supper, the Club started to announce and award the winners in all Big Game and Fish categories. Once again, all attendees were able to take in the stage display of most of the Big Game animals harvested from our area this last year, as well as a lineup of live auctions, raffle draws, and silent auction items abroad. The event continues to bring out people from all over our area to take part in all the night has to offer. The Macklin Wildlife Federation would like to take this opportunity to thank each and every one of their sponsors, volunteers, and attendees, without your support events like this are not made possible. Congratulations to this year's winners:

Hannah Veller receives our Scholarship and Army Vollman received the Lifetime Achievement Award.

News from the Hall

Well by the time you read this, January should be in the books. What a crazy month it was for FOG. Please, please use extreme caution when traveling in foggy weather. If the conditions are really bad, please consider how important your trip is and/or could it be put off. If you can wait a couple of hours or until daylight this can make a big difference in driving conditions. Heavy fog can also cause the roads to become very icy which makes the conditions even more dangerous. We have responded to several motor vehicle accidents in dense fog over the past few years. These are some of the most high risk calls we have to respond to. As soon as we have stopped someone on the highway we have created another hazard, as we are worried about the next car coming through the fog and we have to do this on both sides of the accident. If you are driving through fog and you see flares on the side of road, please start to slow down as safely as you can. Turn on your hazard lights and pull off to the side of the road if you can. Proceed slowly and watch for a fireman directing traffic. He will tell you how to proceed. We also have big pink signs that read "Emergency Scene Ahead". If we have time we try to set these on the side of the road but sometimes we don't have enough manpower to do this or it might be too windy to use them. Let's all be as safe as we can out there and use common sense in these conditions!! We would much rather stay home than head to the hall on those really foggy nights.

We responded to a fire in the early hours one morning this past month. It is the first time for me that the automatic sprinkler system was actually activated. It is very reassuring to know that these systems work as they are designed. They made a big difference that night. What could have been a very bad fire was taken care of fairly quickly and most importantly no one was hurt in the incident. I have been on the department for over 20 years and have never seen these systems work before.

Membership wise we have been able to welcome another 2 new members. Keifer Cosh and Kaden Wappel have been to a couple of meetings and they seem like they might be sticking around for a while. Welcome to the hall men. That's all from the hall!! Happy Valentines Day and be safe out there!!

MACKLIN KINETTE CLUB

Hey there Everyone!

We had a wonderful January meeting and have had a couple of lovely ladies join our club. These ladies have recently moved to the area and wanted to become more involved in the community and meet new people ~ there's no better way of accomplishing those goals than joining our KIN Club! Anyone over the age of 19 is welcome (You should come and check it out Jim Kowalski 😊)

In Jan & Feb we will be up at the arena selling TeleMiracle hands and tickets on our raffle baskets. TeleMiracle 47 is in Saskatoon and is the last weekend of Feb (25th and 26th). We will be sending our donation in with Rylne Sieben as she is a part of the Sask Talent, and their donations get matched by Nutrien

We also attended, worked the bar, and celebrated the Provost Kinsmen's 65th Anniversary on Sat Jan 28th. Our club has several things planned for the 2023 year to keep us busy!

WHAT SHOULD I DO WITH THE SNOW FROM MY DRIVEWAY?

It is the policy of the Town of Macklin to clear snow from all emergency, business and school bus routes as first priority.

When clearing the snow from your sidewalks or driveway, please make sure to deposit this snow onto your own property.

By blowing, shoveling, or moving the snow from your driveway or sidewalk onto the street, you are compounding what already is a daunting task.

Your assistance when removing your snow will allow the Town maintenance staff to quickly and efficiently clean snow from our streets. Please make sure you are visible and give plenty of distance to Town snow removal equipment when clearing streets.

The TOWN OF MACKLIN is now a drop off site for rechargeable and primary batteries.
