News from the Hall

Hello All!

It's a bit strange writing about spring when I am writing this (Feb 22nd) for the March issue and it is minus 27 outside. Every night during these cold snaps the firefighters go to bed with their warm clothes ready beside the bed, thinking please don't let there be a fire tonight. Pumping water when it is extremely cold is difficult, dangerous and hard on equipment and firefighters!! The fire risk is always higher during cold weather because of the increased use of space heaters, block heaters etc. Welcome spring!! With that being said remember to be careful around ice and fast flowing water as the conditions can change very quickly now. Please keep an eye on the young ones when they are out playing near water. They are always tempted to see how good their rubber boots are and they get into trouble in the cold water in a hurry. The edge of the ditches also tend to dry out very quickly and cigarettes tossed out car windows can start fires very easily even if there is snow in the lower part of the ditches.

Training wise we did our annual swim down at the lake The year round use of aeration down at the park means there is open water down there all winter so we usually get four or five members to don the ice rescue suits and go for a swim. This year we got some of the rookies in with some of the veterans. It is always

worthwhile and educational training.

Equipment wise, we have started the process of upgrading the SCBA or air packs we are using. Some of the old packs we are using are over 35 years old and were donated to us after they were used for oil field work .Whenever we can upgrade you always see the advancements that have happened over the years in the new tools. The new packs are easier to maintain, lighter to wear and the amount of working time we have with the newer bottles doubles from 20 minutes to 40 minutes. Our crew have been in several structure fires in the last few years with these old packs and this will make them safer and give them more time to do what they have to in the buildings. The cost of this project is going to be around \$85,000.00 and we will be phasing in the new packs over the next few years. We already have had some generous donations that will help with the costs but more donations are always welcome.

That's all from the hall. Happy spring!! Be safe out there!!

MMHA VOLUNTEER AWARD

Every year the Macklin Minor Hockey Association takes the time to acknowledge an individual who has impacted and shaped the way our organization operates today. This award shows us that our efforts volunteering not only steers our future generations of kids, but continues to show them what it means to be a community. The 2023 volunteer award is awarded to a gentleman who went through our association as a player, a parent, a coach, a referee, a referee in chief, a Vice President, and last but not least a past president. When his father, 1 of 4 founding individuals started our association some 63 years ago, he would not have known how much both him and his sons years of dedication and volunteerism would leave such a lasting impact on our community through kids sport. In the 12 years he coached he was able to leave his mark on so many young men growing up through our hockey system. Many people may know him also for his work on the ice and for 25 plus years he made his presence while wearing stripes and holding a whistle in his hand. His contributions through volunteering didn't stop just there though, adding on 20 years of giving back as referee in chief. Teaching and mentoring young officials, some of which included his own son, who is currently officiated over 650 games in the WHL. He has had an influence on not only his son but many others over the years who have or are still actively pursuing officiating today. We believe that if it weren't for his some 15 plus years on our executive board our program wouldn't be in the same position it is today in some way, shape or form. Don, we sincerely thank you for your many hours of time spent in and around the Macklin arena. This award shows our appreciation for all you have given back to our association.

We had the honor of presenting Mr. Don Crich with the 2023 volunteer award at a Macklin Mohawk game.

Thank you

Thank You to Provost IDA pharmacy and Lloydminster Shoppers Drug mart for their donations of prescription medication and medical supplies for the medical mission I participated in with Moose Jaw International Medical Mission group February 2-11, 2023. Due to donations of medication and medical supplies, the group was able to successfully complete 60 surgeries, treat between 300 - 400 patients for medical concerns and install 150 water filtration systems and cooking stoves. While in Guatemala the team educated women and girls regarding puberty, pregnancy and women's rights while handing out Days for Girls kits which include washable undergarments and sanitary napkins for menstrual care. Our internet is to improve health for current and future generations

MACKLIN KINETTE CLUB

February was a busy month raising funds for Telemiracle for all Kin Clubs across Saskatchewan. Macklin’s own Rylene Seiben was one of the SaskTalent for the TM show, and we couldn’t be prouder of our local star! We appreciate all donations to Telemiracle; from the walls of the Arena and Co-op plastered with Telemiracle Helping Hands, Toy Bingo participants, Villa Marie Bingo participants, and all of our generous sponsors that make those events possible – THANK-YOU!!

Our Kin Kindness Day was a success this year. We got community members to nominate others in the community that they think spread kindness and got a lot of great and well thought out nominations (see our Facebook page to read all of the nominations if you are interested.) We are happy to announce Jim Kowalski is the winner of \$200 in Chamber Bucks, a small token of appreciation for his years of great work in our town. Congratulations, Jim!
