News from the Hall

Did you know that if they are deployed, the front air bags in your car or truck will inflate and deflate in less than a second? The first generation air bags were designed to protect an average person driving the car. This meant a 5'10" to 6', 180 to 200lb male who is not wearing his seatbelt. This was determined to cover the 90% of the drivers at the time.

This means these air bags deploy with enough force to stop that kind of weight coming towards them at what ever speed the vehicle was travelling. The only way to do this fast enough is basically a controlled explosion. The air bag is coming at you at speeds of up to 320kms an hour. Air bags can deploy at impacts as low as 16km/hour. An air bag deployment is an extremely violent event that can happen at a relatively slow speed.

The reason I mention the above is that I have seen and have had other people tell me they have seen young children sitting on an adult's lap in the front seat or standing unbelted on the front passenger seat. The result of an air bag deployment even at a very slow speed would obviously have catastrophic effects on a small child. Please if you always wear your seat belts why would you put your children at such a high risk?? Never let smaller children or children in car seats ride in the front seat. Passenger side airbags have been known to launch child car seats right out the back of the car.

Always follow the manufacturer's instructions that come with your child car seat or booster seat and secure your kids properly. Please let's take care of our little ones and everybody be safe out there.

Rae Marie Veller

March 2, 1951 – March 11, 2023

The Veller family would like to extend their sincere gratitude and appreciation to the many relatives, friends, and acquaintances for their many acts of caring, kindness and generosity on the passing of our dear wife, mother, and grandmother Rae Veller.

Thank you to all for the many cards, flowers, gifts of food, meals, visits, words of sympathy, memorial donations, and Masses intended for Rae. We are truly overwhelmed by the support shown during our time of grief.

Thank you to Father Binu for visiting Rae at her home and for the wonderful words expressed at both the vigil and funeral services. You truly are a caring shepherd for the faith community! Thank you to the choir, sacristan, those who performed the various ministries, the altar servers, and the CWL for collecting stipends and serving the lunch.

Thank you to Dr. Erasmus who provided the utmost medical care for Rae. Your informal visits to our home were welcomed and appreciated. To the Macklin Homecare staff: Trina Campbell, Katherine Vanhouwe, Joan Whitney, and Terri Murrell – thank you for your very compassionate and professional services thus ensuring Rae could spend her last days at home. Thank you to St. Joseph's Health Center for providing the hospital bed for Rae's comfort and care at home. The community is blessed to have such a competent and caring group of health professionals.

Finally, thank you to Jeremy, Katrina, Shinell, and the staff at Gregory's Funeral Home for the caring, compassionate professional services provided at a most difficult time.

Macklin has been the Veller family's home for an entire 50 years. We are proud to call Macklin our home. This has been reinforced by the caring words and actions demonstrated by this community during such a traumatic and difficult time. It speaks volumes of the great people in Macklin. Our family will be forever grateful for your comfort and support!

U7 HOCKEY

U7 hockey teams from our final weekend of hockey in their home town tournament with all the donated items for the food bank.

U9 WHITE

The U9 White team played in the Kindersley league playoff tournament March 3 and 4 coming home with "B" champion banner.

U9 BLUE

Macklin U9 Blue had a great 2022-2023 season improving their Hockey skills. They finished fifth place in the north division which led them to host the C final for the league in Macklin on March 4th. They won against Biggar and Perdue and won their pool which sent them to the final. The final game was played against Wilkie with Macklin winning the game 15-12.

U11 BLUE

We are very happy with our season overall. We competed in 2 tournaments - we lost a close game in the final at our home tournament, then we went on to win the tournament in Biggar. For league we finished near the top of the standings in the regular season, getting us into the 'A' tournament competing for the league championship. There we lost a tight game to the team that eventually went on to win the league. The kids played hard and made the coaches proud.

U11 WHITE

Macklin U11 White had a great season! They started out by winning their home tournament in November. Next they competed in a tournament in Leader and came out the winners. They finished off December by competing in a tournament in Lloydminster and won their division. They started off the new year concentrating on their league games. During their regular season, they only lost one game, which was to the Macklin Blue team. Macklin White finished off in first place in the North division which placed them in the A playoff tournament. Unfortunately they struggled with their first playoff game and didn't make it to the

finals. This team would like to thank all the fans who came out and volunteers who helped out to make this season a success. Although they didn't come home with a banner, they developed new friendships and created lasting memories!

U11 WESTERN PRAIRIE MOHAWKS

This year the girls competed in the Sask Female Hockey League, which consisted of teams from Kindersley, Battleford, Swift Current, Rosetown, Estevan, Weyburn & Milestone.

It has been just over a decade since a female hockey team has been based out of Macklin.

U15 HOCKEY

This year the boys attended a weekend tournament in North Battleford. They played Maidstone in first round of provincials and moved on to play Kerrobert, losing out second round. We ended up losing to Wilkie/Biggar in league playoffs, ending our season.

MMHA would like to thank all the coaches, assistant coaches, trainers and managers for all the time they put in with our minor hockey teams. Thank you to everyone on the executive and to those that help our season run smoothly. Andi Folk continues to go above and beyond and makes sure our schedule is updated and organized. Thank you to our registrar, April Kohlman and our booth scheduler, Joy Volk. Thanks to the ladies that keep our booth stocked; Farryn Reschny, Chrystal Legge, Tasha Selzer. A big thank you to Denise Krieger who served her last year with us and has put in a lot time with our organization. Thank you to the parents that register their children with Macklin Minor Hockey, get their children to and from the rink and that make sure our volunteers are treated with the utmost respect. These jobs are all volunteer positions and we are so grateful for all the volunteers in our community. It was so great to see many young referees come out this year and we hope that continues. A big thank you to all our refs and for the time and commitment they put into the game. Without refs we wouldn't be able to play. Finally, thank you to the rink workers that flood the ice, organize and clean the dressing rooms, and keep our rink looking neat and tidy.

Macklin Skating Club Annual Ice Carnival—Enchanted Forest

Photo credit: Nathan Kohlman Photography

That's a wrap on the 2022/2023 Skating season. Friday, March 10th brought spectators out to watch the 'Enchanted Forest' themed Ice Carnival. We saw fairies, trolls, wizards, elves, princesses, spirits, butterflies and many other mystical characters showcase the skating skills they learned this year, 17 performances in all. The Guest Skater from Provost was Sharnell Wick who did an amazing job. We are very proud of all the skaters for their tremendous carnival performance and a season full of growth and skating development.

A special thank you to the volunteers, parents, arena staff, raffle prizes sponsors, major competition/carnival/club sponsors, professional coaches (Vicki Holsworth, Megan Klotz, Allie Granger), the skaters and Nathan Kohlman Photography for capturing the great memories for the club! (check out the Facebook page for video's and photo's)

MACKLIN KINETTE CLUB

Hey there

Dare I say "Happy Spring Everyone"?!?!

At our March meeting we thoroughly enjoyed the presentation by our local Nurse Practitioner Louise Petersen on her Medical mission. Very interesting, and very fulfilling to see how the money from our donation was utilized. We also made a donation to the Prairie Sunset Music Festival.

We have a **VERY BUSY** April coming up, We are hosting the Polar Dip a fundraiser for Cystic Fibrosis (KIN Canada's national charity) on April 14 & 15th. We are doing this in partnership with the Provost Kinsmen who are hosting the fun on Friday night and on Saturday we are hosting the dip, Supper and a fantastic band. We are also celebrating 50 years of the Kinetite Club ~ so come one come all!!

If you would like to donate to the cause (either money or a silent auction item) Please contact Lori Cosh 306-753-9230. Check out the ad this issue for the details on where to get tickets, and feel free to either come jump in the lake ~ or watch the brave souls that are jumping!!
