**PROPERTY OWNER RESPONSIBILITY**

The Town of Macklin has a bylaw that provides authority to regulate and enforce the care and maintenance of your private yard. If your property is adversely affecting the health or safety of your neighborhood or is interfering with your neighbor's enjoyment of their property, you may be in contravention of this bylaw. Annually, the bylaw section dealing with overgrown grass and weeds as well as general yard maintenance is a large source of complaints to the town office. It is your responsibility to ensure your property is neatly cared for; this includes the boulevard adjacent to your property. Grass and weeds should be maintained regularly, and trees/hedges should not be overhanging the sidewalks.

The Town of Macklin has the authority to inspect your property, deem it to be untidy and order you to remedy all items listed in a written order. Should the items listed in the order not be corrected in the time provided, seven days, the Town of Macklin will hire a contractor to complete the work required. All fees and charges associated with the ordered work will be invoiced back to you the property owner; if this invoice remains unpaid it will be added to and be collected with your annual property tax invoice. For the benefit of the whole community, take care of your property; it will allow everyone to enjoy a clean and safe community environment. The enforcement provisions outlined in the Nuisance Bylaw are there to promote community pride and are considered discretionary enforcement tools for compliance. For a complete copy of the Nuisance Bylaw please visit the town's website at

### ANNUAL SENLAC BUNNOCK TOURNAMENT

Another very successful Bunnock tournament again this year. It is good to see so many returning faces year after year showing support for our little town and enjoying our event. Team entries were full again and supper tickets sold out, making for a full rink. A special thank you to all the volunteers who pitched in to make the event run smoothly. A bigger thank you to all the sponsorships we had this year. The prize tables were full and most people walked away with something. Local businesses supporting local events should remind people why it's important to shop local.

Thank you to all our sponsors:

## Grosswerder Pilgrimage

The Annual Pilgrimage in St. Anthony's Historical church at Grosswerder was held on June 13 to honor St Anthony and our Pioneers that built the Church in 1912.

Thank-you to everyone who attended St. Anthony's Celebration at Grosswerder. It was wonderful to gather on this holy ground and in the Church built by our Ancestors! A Special thank-you to Bishop Mark Hageman, Fr. Binu and co-celebrants for the beautiful mass and Denzil choir for music. Thank-you to everyone who cleaned church, helped, brought food, donated and participated in any way! Thank you to volunteers who mow and maintain Church, Church Grounds and Cemetery throughout the year, as well as on this occasion. Thank you to R.M. for mowing done.

Thank-you to many businesses for your kind donations: Rona- for beam to fix cross at cemetery; Macklin Co-op for fresh flowers and two large fruit trays; Luseland Family foods for large meat\cheese tray; and Luseland Little Greenhouse for flower baskets to decorate.

A thank-you also to The Horse Riders, Pat Rissling tractor, Victor Scheck trailer and Mike Schachtel St. Anthony shrine, which together was a special procession. At this time we would like to correct an error made in our mass bulletin: that it was Brent

Honeker who donated an organ to St. Anthony church. We would like to thank everyone for your continued support and donations for the upkeep of the Church and Cemetery. Thank-you to everyone for a wonderful evening, filled with blessings and community fellowship. Thank-you St. Anthony for the rain for our fields, pastures and gardens.

Sincerely, St. Anthony's Historical Society- Grosswerder

## MACKLIN KINETTE CLUB

Hello, hello!

We are officially into the summer season which means we have officially concluded our 2022-2023 Kinette year! This has no doubt been a successful year for our club participating in both annual events such as Telemiracle but also taking on new events such as the Polar Dip Fundraiser for Cystic Fibrosis. Our club officially turned 50 years old (2022) and we were so pleased to have original charter members as well as members of other Kin clubs and community members join in for celebrations

Just because our club is taking a break from meetings over the summer it doesn't mean the work stops - you can see us working bars at multiple weddings as well as the annual Bunnock tournament. Please contact us if you are interested in working a shift at our annual Bunnock tournament! Have a wonderful summer!

### News from the Hall

Hello from the Hall

A hot June has turned into a new page on the Calander. July means school is out again for 2 months. A regular reader of this column ask if I could write a bit about the increased traffic of young people walking, biking, roller blading and skate board on our streets during the summer holidays. Smaller people can be harder to see especially if they are in wagons or on tricycles etc. Please use extra care when driving around in town this summer. Pedestrian traffic can be really heavy around the campground, the swimming pool and the play grounds. Slow down and be on the look for our young citizens and let's all have a safe summer!!!

I hope you all had a good long weekend!! This is the weekend that marks the beginning of the camping season and is a good time start preparing for a safe and happy summer. Remember to check your camper before you head out on your holidays. Check the tire pressures, and make sure the lug nuts are tight. Walk around the unit and make sure all the lights are working properly. Go for a drive and make sure the brake system on your truck and trailer are both working and set

properly. Quick checks like this can prevent a lot of hassle during your holidays.

Call wise we had a really good spring. (Touch wood) Our amount of spring call outs was way down from other years. I always tell out neighboring departments we just have smart people in our area and they don't start fires they aren't supposed to. Thank you all for this. We had our annual firemen's summer barbeque the third week in June. Thank you to all who attended from the Fire Board and from our department!! Good food and fun for everyone. Thank you to the staff at the club house for taking such good care of us that night!!! On a personal note I received my 25 year service pin that evening. It has been a great honor to work with all the firefighters, past and present chiefs and fire board for the past 25 years. The chief never asked me to step down so I intend to stay on for a bit yet!!

Have a great summer and be safe everyone!!!!

It is the responsibility of each property owner to dispose of any grass clippings or compost material. There is an area designated for this at the waste transfer station where compost materials may be emptied from their bags and deposited at no charge. It is not an acceptable practice to place compost or grass clippings along the back alley or lane adjacent to your property.

## Macklin Lakeview Cemetery Project

The Macklin Lakeview Cemetery Committee has been moving forward with the cemetery improvement plan as time and funds allow. Currently the concrete pilings for the stone pillars have been installed and initial landscaping is underway. The original entrance sign leading into the cemetery has been repaired and installed in its new location.

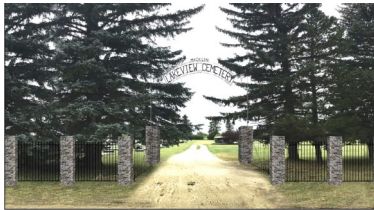

The committee has decided to use the individual stone pillars as dedicated commemorative spaces available for sponsorship. There are 26 permanent stone pillars being constructed to support the wrought-iron perimeter fence. Through a donation of \$3,000 a commemorative plaque will be inlaid within a stone pillar to forever recognize your contribution towards this project.

To date, 12 pillars have been purchased leaving the remaining 14 available. If you have been thinking about providing a donation to this project please don't delay, the last available pillars are available on a first come basis.

Tax deductible receipts will be issued for all donations. For further information on the stone pillar dedications or other donation opportunities, please contact the Town of Macklin at 306-753-2256 or [town.macklin@sasktel.net](mailto:town.macklin@sasktel.net)

## VILLA MARIE NEWS

Villa Marie residents celebrated spring and welcomed summer with gorgeous blooms, a strawberry tea, music concert, and fun activities.

Residents started planting flowers and vegetables in May and with the warm weather we were having, the flowers quickly unfolded in bursts of color. Our backyard patio is a lovely spot in which one can sit and admire the flowers, enjoy the birdsong, and enjoy the sun.

The Villa Marie Auxiliary hosted a Spring Raffle and Bake Sale. The draw took place on June 15<sup>th</sup>, with a strawberry tea that was well attended. The winners of the raffle are: Tara Schactel (games package), Terri Murrell (patio package), Dan Gartner (basket of Eminence products), Pat Decutius (garden package), Holly Scherger (homemade blanket donated by Angeline Fischer), and Michelle Sieben (blanket started by Sr. Donata and completed by Rita Stang, Angela Sieben, and Josie Scherger).

Residents were in for a treat when the Sieben family came to entertain them on June 22nd. Carol, Dennis, Clay, and Dean Sieben performed some golden oldies and there was a full house tapping their feet and appreciating their performance.

The sunny weather invites one to take a walk outside but we were also enjoying indoor exercise activities during the recent rainy days, such as indoor Bunnock and fast-paced, energetic balloon games. Fun!

Would you like to share your talents with Villa Marie? Give Helena a call at 306-753-2422. We'd love to hear from you.
