

Right now the world seems to be made up of people and countries that are not only at odds with each other, but with outright hatred towards each other. 1 Corinthians 12: 12-27 talks about one body, but many parts. Our coexistence on earth would be much better if we were to live out what is written in these verses.

Hatred cannot overcome hatred. Only love can overcome hatred. The love that is required does not come from a fictitious fat man dressed in a red suit or from the giving and receiving of expensive gifts. There is only one true source for the kind of love the world needs and it has been around for over 2,000 years. That source of love is the actual reason we are supposed to be celebrating Christmas (and it's free!).

JOHN 3:16 “For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life”.

LOCAL MARKET IDEAS??

Do you have locally grown produce or specialty products to sell? The Town of Macklin is looking for individuals to create an organizing committee that will assess the feasibility of establishing a local farmer's market. We envision a farmer's market that is an enjoyable gathering place, a source of healthy local food and locally crafted items.

If you are interested in assisting in pursuing this opportunity, please contact the town office at 306-753-2256 or Town.macklin@sasktel.net

Would you like to see a community garden space for the use of our community members? Let us know your thoughts.

EXPECTATIONS

by Susan Conly

Great expectations!

We are now into the season of Advent, a time of expectation — Christmas is coming!

A time when, as one Bible puts it, 'the whole world stands on tiptoe' remembering this amazing thing that happened in the stable in Bethlehem—God sent the world's first Christmas gift, Love, a Baby born. A "Love" the world had never known before, and we, His people, try to honour in our daily lives ever since—with special remembrance each Christmas as we re-enact the giving of Love in our gift-giving.

But if Christmas looms up as something simply to survive because of all the hullabaloo, the extra work,— we will miss the wonder and the glory, the great expectation—and we have insulted our God.

We are now in Advent, remembering when centuries ago John the Baptist came out of the wilderness to announce that God's amazing gift to the world was about to arrive. John, a wild looking character in camel skin coat and flowing beard, horrified those people who went to see him—this? a prophet? Jesus scolded them "What did you expect to see? A man clothed in fine raiments? —Or did you go to see God's prophet?" Jesus knew there is no winning with people whose minds are already made up and judge accordingly.

John the Baptist was the original health food nut—locusts and wild honey, fasting, shunning wine. Then Jesus came. He mixed with all kinds of people, the riff raff, eating whatever food he was offered, drinking wine. —They called Him a glutton.

The truth is that people 'then' and 'now' will see what they want to see and their expectations determine their conclusion. If they are looking for something to appreciate they will find it; if they are looking for something to criticize they will find that, too. Even Jesus could do no good works in the minds of those who criticized Him. To them He was just the carpenter's son, nothing more. But those who saw him as the promised Messiah experienced new life.

We see what we expect.

Yuri Gugarin, Russian, came back from the world's first manned flight into space and reported he had been to heaven and hadn't seen God— so there is no God.

Gillespie Magee, RCAF, came back from his flight and wrote: "I have slipped the surly bonds of earth / Put out my hand —and touched the face of God!"

Expectations.

On Christmas morning what do you expect—hullabaloo and a headache OR warmth and Love of family and friends — the Love that was wrapped up in a Baby, and sent to the world for us all.

The world's first Christmas gift.

Town Council Changes Truck Route

Effective immediately the Town of Macklin is instituting a significant change to the community truck route. The need to have a direct path through the community for heavy trucks has changed over the past decade with the removal of all the grain elevators. The construction project along Press Avenue includes a base and asphalt structure for large and heavy trucks, however, the construction upgrades end at the intersection of Times Street.

Therefore, **effective immediately** there will be no access for heavy trucks into the community from the west via Express Avenue and Time Street. The flow of trucks and heavy traffic will be limited to Press Avenue between Highway 31 and Times Street. The attached map shows the highlighted sections of the community affected by this policy change.

At this time, the Town of Macklin Council & Staff would like to wish you all a Merry Christmas and A Happy New Year.

Local Generosity – Provides needed support for the FOODBANK

- It started off as cold morning when a kind and generous boy named Simon Kohlman opened a lemonade stand at his family's garage sale. With the help of his little sister Victoria, they sold lemonade for \$.50 and donated all the proceeds to the foodbank.
- Local children (below), Winter Cline & Rogan Selzer held a Halloween party and collected food donations from their friends that attended.
- The generosity shown by these children help keep the local foodbank supplied with nutritious food to fill hampers.
- We also get such great support from the local staff & students, at Macklin School. In October a donation of \$1,200 from a fundraiser & then the SRC held a Halloween - food drive (see picture below) that provided a huge boost to our stock of supplies.
- December is a busy month at the Foodbank as we provide Christmas Hampers to all our support families and also gifts to needy children in the area. Your support and generosity is always great appreciated.

Letter from the Chief

Hello All!

It is with a heavy heart that I start this letter. Our department's full support goes out to the Rosetown Fire Department and the family of Darrell James Morrison. Darrell was killed while working on the scene of a traffic accident. There are no words that can ease the pain the Rosetown first responder community is feeling but know that you are in all of our thoughts and prayers. These kinds of incidents deeply impact every volunteer and professional fire fighter. Thank you to the people who took the time to send hugs and support to our department. This was greatly appreciated!! Remember when you come upon an emergency scene please SLOW DOWN and devote your full attention to safely getting passed it. We have been working on scenes where people feel the need to be taking pictures as they are driving by. How safe do you think that makes us feel?? Use common sense people and remember to slow down in heavy fog.

This time of year always brings Saskatchewan weather and road conditions can change very quickly. Please plan for this and have a winter survival kit in your vehicle. This could be as simple as a cell charger, a blanket, a candle and some warm clothes and boots. If you have winter tires you should get them on as quick as possible. When you are doing your Christmas decorating, be fire smart and aware. Be careful running cords and lights. Remember real trees can dry out very quickly and ignite very suddenly.

The new truck has been a welcome addition to the hall and was out fighting fires the first 2 days it was here. Our Department is hosting a training day here in Macklin on Saturday Nov. 24th. Thank you to Sask Energy for helping organize this event. As of this writing, we have 17 Departments and 80 firefighters coming. Staff from STARS will be on hand as well as other government agencies to provide the training.

It seems a bit strange to say this already but Merry Christmas to all and your families on behalf of all of us at Macklin and District Fire Rescue!!! Travel safely over the holidays, be safe and we will see you around!!

St. Mary's CWL met on November 6 for their regular meeting. At this meeting they dispersed the funds which were raised at their food booth at the annual Bunnock Championship. As is so often the case, the money available was not sufficient for all of the needs, so difficult decisions were made. The following groups were chosen to receive funding for their various projects: Macklin Football Association, Macklin Chamber of Commerce, Macklin Daycare, Macklin-Denzil Pro-Life, RCACS #601 Air Cadets, Macklin School Community Council and St. Mary's Parish. Many thanks to all of the members of St. Mary's Parish and CWL whose work and dedication make it possible for these funds to be raised and allow for this support of community projects.
