2026 Wildlife Supper & Awards

Macklin Wildlife Federation held another successful Awards banquet on January 10th. The annual sold-out event is one of the clubs' biggest fundraisers, with proceeds going back into various projects and programs around the community. The Club went above and beyond with the delicious food options that were prepared, guests could be found trying various cuts of Moose, Elk, Deer, Wild Boar, Rabbit, Fowl, and Fish. After everyone had enjoyed supper, the club started to announce and award the winners in all Big Game and Fish categories. Once again, all attendees were able to take in the stage display of most of the Big Game animals harvested from our area this last year, as well as a lineup of live auctions, raffle draws, and silent auction items abroad. The event continues to bring out people from all over our area to take part in all the night has to offer. The Macklin Wildlife Federation would like to take this opportunity to thank each and every one of their sponsors, volunteers, and attendees, without your support events like this are not made possible. We had a lot of Non-Entries, we encourage everyone to enter their heads and the more youth we get involved the better. Parents can buy Memberships through Dustin Rissling at 306-753-8026

Kin Canada
Kinsmen • Kinettes • Kin

The Macklin Kinettes were quite busy both December and January. We held a successful member recruitment night in the middle of December and we have 5 new wonderful ladies interested in joining our club. We donated \$1000 to help the Food Bank during the holiday season and \$500 towards our local Youth Group. Our first ever Gift Card Survivor fundraiser was run in December for Telemiracle and was a great success! Congratulations to our winners: 1st Shawnee McKinnon, 2nd Cynthia Weinkauff, 3rd Calleigh Reinhart.

The Kin Canada Foundation has started a new initiative this year called Feed The Need in which we are trying to prevent children from going hungry. Our club decided to donate and serve a Taco In A Bag lunch for all the staff and students at Macklin school on January 12th. It was well received and a huge hit, it is the first of many meals our club hopes to be able to provide to the school.

We are looking forward to seeing you all at our Annual Toy Bingo on Family Day, February 16th (See ad in this issue). Every weekend during the month of February our club will be set up in the arena lobby selling Helping Hands and accepting Telemiracle Donations, all donations over \$10 will receive a tax receipt.

Our club will also be offering the Babysitting Course again in March/April, registration forms will be made available and sent out in late February. Keep an eye out for ladies from our club answering phones and making an on air presentation during this year's Telemiracle 50 Telethon February 28th and March 1st in Saskatoon, we will also be showcasing our new logo inspired by one of our members. Fun little fact: last year our club donated over \$26,000 - of that total \$9,000 went to various partnerships like Telemiracle, Cystic Fibrosis, etc and the remaining \$17,000 was donated back into our community. We couldn't have done it without all of your support!

The beginning of January brought some heartbreaking news for our club, we were devastated to learn about the sudden passing of our dear friend and life member, Wendy Weinkauff. She was instrumental in our poster creations, awards applications, and if we ever needed anything eloquently said she was your girl! Her dedication and humour will be greatly missed by us all! Happy to meet, sorry to part!

Hello, from St. Joe's!

Happy New Year, folks! We hope everyone had a very nice Christmas – we sure did. From all the residents and staff at St. Joseph's, thank you for all the donations for our Christmas gifts through our Adopt-A-Resident program. We appreciate your thoughtfulness so much.

On the afternoon of December 31st, we had a get-together to see 2025 out (around 3:00 in the afternoon, not midnight. Just can't party like we used to). Thank you to Brandon Stang for coming to entertain us, and our amazing cooks for the delicious dessert trays. We made sure to have some bubbly to bring in the New Year, promptly followed by a Tums - can't be too careful!

Many of us watched the World Juniors over the course of the holidays. Canada played hard and well, and a big shoutout to Cole Reschny – you made Macklin proud! We wish you continued success in your hockey career!

On January 3rd, one of our long-time residents, Joyce Davis, passed away. Our sincerest condolences to her family and friends, we will miss her dearly.

On January 11th, we were treated to some beautiful music by the Evesham Handbell Choir! They played some songs from their Christmas program, and we enjoyed it so much. Thank you for coming to play for us!

At the beginning of January, we held our annual memorial service to remember our residents who gained their angel wings in late 2024 and 2025. We lovingly remembered Violet Lock, Shirley Neil, Shirley Forbes, Art Fruson, Con Schiebelbein, Tom Nuttall, George Graf, Marlene Smith, Raymond Dieser, Evelyn Leeson, Fred Minish, and Frieda Honecker. May they all rest in peace.

On January 16th, we celebrated the birthdays of all our January babies! Kira played her ukulele while we feasted on delicious birthday cake with bright blue icing. We looked a lot like Smurfs with our blue lips, tongues, and teeth... But we sure enjoyed that cake!

The following day, the Weinkauff family hosted a birthday party in our recreation room to celebrate Bernie's 90th birthday! Many attended and brought along their good wishes. The family wants to thank the great staff at St. Joseph's for their wonderful care and kindness.

The last week of January is our spirit week, where we are (strongly) encouraged to take part in the theme of the day. We will have a PJ Day, a jersey day, a hat day, a monochromatic day, and a cozy sweater day. If anyone has a set of pajamas I can borrow, let me know. The staff has already told me I can't participate with my current selection.

We hope you made it through January without freezing! A gentle reminder to the men that February 14th is Valentine's Day – so don't forget!!!

Until next time, stay warm and happy.
- Peggy Bolton, St. Joseph's Resident

From the Hall

Most of you have probably seen it at one time or another. During a meal, at a hockey game or during the Bunnock Tournament. Some cell phones might ring at the same time and several people drop what they are doing and head to the fire hall. Not because they're paid to but because someone in our area needs help. For 29 years I have been proud to be one of those people. In the last four months our membership has dropped by 4, as people have moved out of the area and a sudden death of one of our members.

Volunteer firefighters are the backbone of emergency response in small towns like ours. We respond to fires, vehicle collisions, medical emergencies, grass fires (sometimes false alarms,) and more. We train hard, work as a team, and show up when people need us on some of their worst days. But like many departments, we're feeling the strain of fewer volunteers and growing demands.

The truth is, you don't need to be a superhero to be a firefighter. You don't need prior experience or training. What you do need is a willingness to learn, a commitment to training, and a desire to serve your community and surrounding area. Our department provides all the training and equipment you need, and you'll become part of a team that works very well together under all different kinds of circumstances.

Volunteering as a firefighter is challenging, but it's also incredibly rewarding. You gain skills that last a lifetime, from emergency response and first aid, to leadership and teamwork. You form strong friendships and become part of a dedicated team. And there's no feeling quite like knowing you helped protect a home, saved a life, or made a real difference for someone when it mattered most.

Our area has always taken care of one another. That's always been who we are. Just count the volunteer hours that go into our Bunnock Tournament. Becoming a volunteer firefighter is one powerful way to continue that tradition.

If you've ever thought, "I wonder if I could do that," the answer is yes, you probably can. We're looking for dedicated community members who want to step up and serve.

If you're interested in learning more, we have meetings the first and third Tuesday of every month at 7:00, talk to any member of our department, or contact Justin Bast or myself. We'd be happy to answer your questions and show you what being part of Macklin and District Fire Rescue is all about.

When we get dispatched, our department has been answering the call since 1912. With your help, we can make sure our area is always protected.

VILLA MARIE NEWS

It has been a quiet month around the Villa Marie.

Santa Claus and Mrs. Claus made a stop at our Christmas party for all of the residents to hand out gifts. Thank you to the community for providing such wonderful presents and Santa and Mrs. Claus for taking time out of their busy schedules to stop in.

We had an afternoon New Year's Party to welcome the upcoming year as some of us aren't the night owls we use to be!

We had visits from Macklin Daycare and Macklin Pre-K School. We did crafts and visited which is always a great time.

Sylvia and Lori came for an afternoon of singing. It is always an enjoyable afternoon with their talents.

Lyle Brost entertained us during our Nashville Evening. Country music, donuts, southern iced tea punch, and western wear, what an evening to be had!

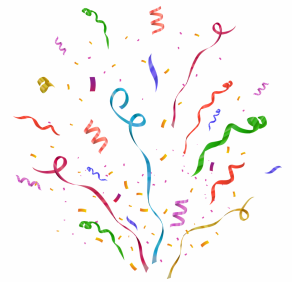

"Villa Marie Enchanted Lights in Partnership with Reinbold Electric" ended for the season. We had wonderful turnouts and amazing compliments from the community. Planning stages have started for next year already. We want to thank Reinbold Electric again for their partnership and helping make this event come to life!

We are always looking for casual staff here at the Villa Marie. If you are interested in working with seniors, please reach out to villa.marie@sasktel.net

Hi, I'm Brandon Wildeman, a Financial Services Advisor at our Macklin branch. I joined the financial services industry in April 2023, bringing over 15 years of experience in retail customer service and business ownership/management.

What I enjoy most is getting to know each member's unique story and building personalized plans that support their financial goals. Seeing members succeed is the most rewarding part of my work.

My key advice: don't wait. Whether it's expanding your operations, investing in new technology, or planning for long-term growth, starting today makes all the difference.

Hi, I'm Lexi Kurjata, Senior Advisor with the Business & Ag Financial Centre. I joined Synergy in 2021 and have been in the financial industry since 2019. Since 2022, I've supported Macklin and Denzil business and agriculture members with their lending needs.

I focus on understanding your operations and goals to create a clear path toward financial success. With a Diploma in Business Management and a Bachelor's in Agribusiness, I'm equipped to support your commercial and agricultural lending needs.

To stay connected, I enjoy volunteering in the communities I serve.

Let's work together to find the right financial solutions for your business—reach out anytime!

Hi, I'm Katelyn Neufeld, a Financial Services Associate at our Macklin branch. I've been part of the credit union system since 2010, gaining experience from front-line service to leading a large team of Member Advisors. My passion is building trust with members and understanding their needs.

I focus on three things: helping you make money, save money, and fund your financial goals. Whether you're looking to open a new account, secure a personal loan, or explore investment options, I've got you covered.
