

# MACKLIN & DISTRICT HOMETOWN CONNECTION

Your best place for community events, information, advertising and much more!

Brought to you by the Macklin Chamber of Commerce

- The New York ball has been dropped almost every year. It was, however, suspended during the early 40's because of the blackout restrictions of war.
- The concept of making resolutions for the New Year dates back thousands of years to the Babylonians.
- Robert Burns of Scotland wrote the traditional "Auld Lang Syne" song over 300 years ago. No one knows for certain when it became an inseparable part of the New Year's Eve tradition.
- Kissing at midnight was originally started within a family to ensure that it celebrated the year with those nearest and dearest to their hearts in order to maintain complete affection for the coming year. The tradition was later expanded to also include friends.
- Firecrackers and noisemakers became a part of New Year's Day in order to scare away any remaining evil spirits and ensure a fresh New Year's start.
- Some believe it is important in your career to do something very positive for your work on New Year's Day. That will supposedly ensure that you will have a successful year.
- Others think breaking anything on New Year's Day ensures a year of broken things like friendships and marriages.

# 2025 HAPPY NEW YEAR

- Some people believe that nothing, including the trash, should be emptied on New Year's Day. They consider it bad luck and an omen of a truly bad year to come.
- In some cultures, the front door to the home is left open at midnight to let the old year out and the new one in.
- Babies born on New Year's are said to always have prosperity and luck on their side.
- The most famous of all New Year's Day parades, The Tournament of Roses, dates back before the turn of the last century in 1890.
- The first 'Rose Bowl Game' was played in 1902 but then it didn't happen again until 1916, when it finally stuck and eventually became a yearly tradition.
- We celebrate the New Year in months, with a zodiac sign (e.g., Capricorn, Aquarius, Pisces, etc.) for each month. The Chinese celebrate the whole year with one of 12 special animals (e.g., the year of the Monkey, Tiger, or Pig).
- POPE GREGORY XIII chose January 1st as the first day of the New Year in 1582.
- The New Year's Baby dates back to ancient Greece and their celebration of their fertility god who was supposedly born a new each year.

## Hi all, from St. Joe's!

Happy New Year from all of us at St. Joe's!

We had a joyful December. We would like to personally thank St. Mary's CWL for the beautiful arrangement, the caroling from our Senior Buddies, the Daycare for their cards, and our very own staff who not only sang here, but around town too.

Our Senior Buddies also came to help make Christmas cards for our families. The Knights of Columbus brought the joy of Christmas to us with their Christmas pageant. We so appreciate the gifts from our resident's families, thank you for your kindness!

In other good news, our dear Susan Conly turned 105 on December 9<sup>th</sup> – what a milestone! We hope you had a wonderful birthday, Sue!

On December 21<sup>st</sup>, we had a Christmas party with family and friends in attendance. Superb Sound and Friends from Major entertained us, and we had lots of food and good cheer. Kira took family pictures for anyone interested. Earlier in the month, she took individual pictures of each resident and a card, and the picture were given to a family member for Christmas. Santa also made an appearance and passed out the Adopt-A-Resident gifts. Thank you again to anyone who adopted a resident this year!

On December 23<sup>rd</sup>, we also went on a twinkle tour to see all the lights decorating the town of Macklin. Many thanks to Sulei and her family for bringing us out treats and drinks as our last stop on the tour. We appreciate your hospitality!

As we are such party animals, we will be having a New Year's party on December 31<sup>st</sup>. St. Joe's will be rocking!

On a sad note, on December 7<sup>th</sup>, Violet Lock passed away. We miss her and we extend our sympathy to her family and friends. May she rest in peace.

As 2024 closes, we wish to sincerely thank everyone who supports us throughout the year. Our thanks to our care aids, nurses, cooks, laundry, housekeeping, recreation, maintenance, admin, and management for cheerfully taking care of us. We are always happy to see our students who work for us this time of year when they are home from school. We thank those who bring church to us every week, and communion on Sunday.

May 2025 bring everyone happiness, health, and prosperity.

### News from the Hall

Hey all from the Hall!

Maybe I should just quit!! That was my thoughts at one point in 2024. There was a very tough set of events that really made me question why I joined the Fire Department in the first place, and what it is we were trying to accomplish as a department.

We have always had such a strong crew of very dedicated individuals, volunteering many hours to improve our department and to provide the best, quickest and most professional responses we could for when we were called on. After a couple of pretty tough weeks of soul searching I finally figured out, none of that had changed. We still have a very dedicated group working very hard and volunteering many hours to improve our department and our ability to respond to the very different kinds of calls we get.

Maybe I don't have to quit. Then the support from the people we have worked with and community and district started to pour in. There have been many kind words, generous donations and words of encouragement from lots of our great citizens. More soul searching. Is this why I joined??? For the "Thank you's"? The best answer I could come up with, (and I think I speak for lots of the other members as well here) We joined because we want to

help people if and when we are called. It took a while to get the pride back, but it was mostly just took some time to work through everything and realize what a great crew I work with.

Gratitude!! That will be my mind set for 2025. I am thankful for the great members I work with at Macklin and District Fire Rescue. Thankful for the great and dedicated leadership we have, Thankful for the Fireboard and it's members past and present and all they do to help us keep our department equipped the way it is. Thankful for the support of the towns and R.M's we serve. Thankful for the places we work for letting us take off when we have to. Very thankful for the support, understanding and love of our families when we get called out at all hours and days of the year. I am proud to be a member of Macklin and District Fire Rescue. Gratitude!!! It's a good thing!!

Happy New Year and a safe and happy 2025 to all of you, from all of us proudly working for and with the Macklin Fire Department.
