### **News from the Hall**

It's 3:01 AM and my wife and I were sleeping very soundly, when we are both woken up by a very loud cell phone alarm. It takes us a few seconds to realize it is the new tone that the Emergency Call Center is using now to call us when we are being dispatched. I check my phone and we are being sent to a structure fire 10 miles out of town. It's strange how hard it is to find your socks at 3:02 in the morning (and I always lay out clothes the night before in case we get a call) but bare feet in fire boots doesn't work for very long. (I found that out the hard way one night) I quickly get dressed and start down the hallway. My wife says, "Be careful", and I hear my daughter call out, "Be safe Dad". Great, so everyone in the house is awake now. I jump in my truck without a jacket because I know my turnout gear is ready at the hall. You get used to backing in to a parking space so you can drive straight ahead if you have to leave quickly.

I get to the hall about 5 minutes after the alarm and several members are already there getting their gear on. Quick decisions are made as to who is in which trucks and who will be donning the air packs in Rescue on the way to the scene. Trucks are leaving the hall in less than 10 minutes. The Command Truck leads the way and Rescue, Engine 1, Engine 2 and a Grassland Truck all respond. We are about 2 miles out of town before I'm finally truly awake and I start planning what to do when we arrive on the scene. I am driving Engine 1 and my job is to get the pump going and get water going down the hoses. We arrive at fire. The chief radios our Call Center and tells them how many trucks and members are on scene. He will be in contact with dispatch every 10 minutes, starting now, giving them a scene up date and member accountability. We park the 2 main Pumper trucks and start pulling hoses. Several members are doing this and the truck operators are starting the pumps. The hoses are attached and the members with air packs grab the hoses and head towards the structure. As they get around to the back side of the building, we see that the power line has dropped down and is arcing out every five seconds or so creating huge welding like flashes and a loud arcing sounds. Don't spray water there! The Chief radios our dispatch and asks them to send SaskPower and SaskEnergy. Both Fire trucks are pumping water in less than three minutes. We realize the fire is mostly in the roof of the structure and ladders are grabbed from the trucks and used to get where we have to be. Four members from Rescue have packs on and 2 enter the structure. 2 remain outside as back up. The entry team quickly realize the

fire is mostly in the attic and the do a quick search of the relatively smoke free interior and know that no one is inside. The focus then becomes working from the outside and knocking down the fire. The power has been shut off to the yard and the arcing has stopped. The ambulance and RCMP arrive as they are always automatically dispatched to structure fires. SaskPower and Energy arrive as well and it is now about 4 AM. Both trucks have been pumping water and the fire is getting knocked down fairly quickly. I asked the chief if we should radio for more water trucks and we check the water levels on the new truck (Engine 2) and the gauges have barely moved!! We aren't going to need extra trucks tonight. Engine 1 is getting low on water so we hook up a hose to Engine 2 and fill it while both trucks are still pumping to the fire. When the fire is basically out we get out a Thermal Imaging Camera and start scanning for hot spots. The big light tower on Rescue is setup and lighting the area up because when the fire goes out and the power is off it gets dark.

Things start to slow down now for the first time in about an hour and a half. We have time to grab water bottles and get a drink. Change some of the air bottles on the guys who had air on and check around the building again to make sure no embers have drifted off into the grass. We realize it is a beautiful, calm night and just the right temperature, so that our turnout gear isn't so hot. And no mosquitos!! Hot spots are found and doused with water and checked again with the cameras. We can't find any more heat so we start packing up all our gear and draining and loading the hoses. The Chief radios Dispatch and tells them all Units are returning to the hall. RCMP, Ambulance and the Power and Energy crews have left too. Hey, the sun is starting to come up!! We starting heading back to the Hall. We fill fuel in the trucks that need it on the way back. Engine 1 fills water at hydrant and Engine 2 fills at the hall. While the trucks are filling, all the hoses that got dirty are washed and either put back in the trucks or laid on a drying rack along the back wall. All the air packs are cleaned up and put back in Rescue. The air bottles that were used are filled and put back in the trucks as well. When all the trucks are full of water and gas and everything is ready for the next call, we radio dispatch and tell them we are back in service. Mark time 5:31 AM. We all leave the hall and it is already quite bright out!! 5:30. Perfect! I'll have time for a shower before work!!

# Macklin Daycare News

## \*\*Community Invitation\*\*

We invite all community members, families, and parents to join us on Tuesday, June 17th, 2025, at 7 PM at the Macklin Daycare for more information and to address any questions regarding our programs and future plans.

### Opening and Operations

The Macklin Daycare first opened its doors on March 2, 2015. We are a regulated childcare center operated by the Government of Saskatchewan's early learning and childcare program. Our program currently accommodates 31 spots:

- 3 infants
- 5 toddlers
- 16 preschoolers
- 4 school-aged children
- 3 flexible spots

We have applied for approval to add more spots, recognizing the community's need for increased daycare availability, especially given our current waitlist.

### Operating Hours

We are open Monday to Friday from 7:15 AM to 6:30 PM, and we are closed on statutory holidays. The staff will also hold two professional development days per year, during which the daycare may close due to staffing shortages. Parents will receive a minimum of 30 days notice, regarding these events.

### Recent Developments

Since our inception, we have made significant progress and implemented numerous improvements, thanks to the hard work and dedication of our staff and volunteers. The Macklin Daycare Committee Board organizes yearly fundraisers to support our financial needs, complemented by specific government grants designated for indoor and outdoor enhancements. These efforts have allowed us to:

- Extend our yard
- Add turf for expanded play space
- Install a maintenance-free fence
- Continuously upgrade toys, play structures, and supplies, etc.

## \*\*New Before and After School Program\*\*

We are excited to announce that the Macklin Daycare Committee Board, in collaboration with Macklin School and the Macklin School SCC, is in the process of finalizing a before and after school program for school aged children. This initiative aims to provide a safe environment before and after school while allowing us to optimize space at our center.

Thank you for your continued support!

**Happy June Everyone!!**

Wow since the snow has melted it seems the days are flying by so fast!

By the time this is at print we will have had our Town Wide Garage Sale, and BBQ with proceeds going to Cystic Fibrosis. May is Cystic Fibrosis month and since 1964 it has been KIN Canada's National Chairty. When KIN first joined the partnership with CF the life expectancy was 4 years old ~ now someone with CF can be hopeful that they will see past their 60<sup>th</sup> birthday!

We are currently awaiting submissions for our Grad Scholarship, as well as checking out what we can all do and improve on this year in the Project Park by the water treatment plant. The Kinette's have made several improvements to the park in the past several years.

At our May meeting we made donations to Ben Farkas who is raising money for CNIB guide Dogs, as well as the EMS Teddy Bears Jump for Chairty.

We also discussed our KIN Motto "Serving the Communities Greatest Need" and are asking our community what they think it is. Is there a "Need" that we as a club can focus on for the upcoming year? We would appreciate any feedback to either our email address [macklin.kinettes@gmail.com](mailto:macklin.kinettes@gmail.com) or text Lori Cosh at 306-753-9230

**STANG, Leonard Richard—October 7th 1944 – April 27th 2025**

It is with profound sadness that we announce that Leonard Richard Stang passed away peacefully on April 27, 2025, after a brief illness.

Leonard was born on October 7, 1944, in Macklin, Saskatchewan. He was a loving husband to Jeanette with whom he celebrated his 57th Wedding Anniversary this April. He was a proud parent of, Gerard (Tara), children, Hannah and Jonah in Calgary; Charles (Dianna), children, Braden, Brenna and Jenna in Saskatoon; Claude in Los Angeles; Laurette (Montie), children, Jada, Dane and Rory, in Swift Current; Lynda (Aaron), son, Josh in Craik; Mary-Lou (Ryan), children, Shea, Tatum and Torey in Calgary.

After attaining his Journeyman Carpenter Certificate from SAIT, Leonard started a construction business in Macklin - Stang's Construction. He built numerous homes in Macklin and surrounding areas in Saskatchewan and Alberta. Leonard was very proud of his projects, often taking the kids on Sunday afternoon drives pointing out his workmanship. He enthusiastically helped his kids with their family homes, leaving a legacy for all his children and grandchildren.

Leonard was a beloved husband, dad, grandfather, brother, uncle and friend. His warm and welcoming nature led to our home being a gathering place for friends of the family. Leonard loved to joke, tease, and even impersonate which always led to a good laugh. He enjoyed his Blue Jays, Riders and watching curling with Jeanette. His grandchildren looked forward to his visits and Leonard loved cheering them on in their sporting activities.

Leonard and Jeanette recently moved into St. Volodymyr in Saskatoon where they were warmly welcomed. Leonard quickly became a beloved member of the resident community where he enjoyed building puzzles, bowling, socializing and spending time in the chapel embracing his faith.

Leonard was predeceased by his parents, Reinhold and Mary; sisters, Angela, Margaret, Elvira and Wendy; and brother, Alex who he will gladly be playing ball with in heaven. Leonard was also predeceased by many extended family members and friends too numerous to mention.

A funeral service and celebration of life will be held at St. Phillip Neri Roman Catholic Church in Saskatoon on Friday, May 9, 2025 at 11:00 a.m.

In lieu of flowers, donations can be made to Pancreatic Cancer Canada [www.pancreaticcancer.ca](http://www.pancreaticcancer.ca)

Condolences may be sent to the family by visiting [www.hillcrestmemorial.ca](http://www.hillcrestmemorial.ca)

**VILLA MARIE NEWS**

We have been enjoying the beautiful weather this month with the exception of a few cold days. It was nice to see the rain as we were getting our garden plots ready for the planting season.

At the end of April, we had a county fair day. It was enjoyed by all residents and our friends from St. Joe's. We play old time games with the Grade 3s in the afternoon and around supertime Macklin's Drama Club came in dressed up and sang us songs from the play along with serving supper. The Drama Club stayed for supper and visited, we all enjoyed this very much. Just like a true county fair, we had amazing food and were exhausted by the evening!

We enjoyed music by Onward. They always provide us with a wonderful evening of beautiful music. Dan and Janet were in during May and provided us with their renditions of music. We always enjoy it when people can come in and show us their talents and entertain us all.

The Villa Marie Auxiliary has been very busy this month. They bought and built a beautiful gazebo out our front doors. This has been much needed to allow us to sit under during those hot summer months to come. They hosted a Soup and Sandwich Day which brought in many people that we have missed seeing over the last few years. The food was delicious, and we hope they put on another one in the near future. A 50/50 raffle was done, and the winner was Paulette Leibel. Congratulations Paulette! All funds raised from this day will go back to helping upgrade the Villa Marie and provide extra entertainment and outings for the residents.

We hosted a resident "Lovely Ladies Day Spa" for all the important women in our facility. It was a relaxing and fun day of snacks and visits. We want to thank our staff and members of the Auxiliary who helped put on the day. We could not have done it without you.

Macklin Daycare came for a visit which is always enjoyable. We hope to see them in June and be able to play games outside and maybe have popsicles!

We want to thank the Synergy Credit Union for a donation of streusels, they were delicious. Also, a thank you to the donor who donated the cedar mulch. Donations like these are always welcomed by all at the Villa Marie.

The Villa Marie is currently looking for casual staff for day cook, evening cook, and night shift. Please email Jenn at villa.marie@sasktel.net if interested.

Follow us at Villa Marie Macklin on Facebook for more photos and news.

**Loreen Deck**

1932—2025

The family of the late Loreen Deck, wish to extend their thanks to all who helped and for the support given at the time of the loss of our dear Mother, Grandmother, Sister, Aunt and Friend. Special thanks to all who traveled to be with us at this sad time.

Our thanks to all our extended families, neighbors, and friends, who showed, helped and supported us, prior to and after the funeral. In so many ways, for which we are appreciative.

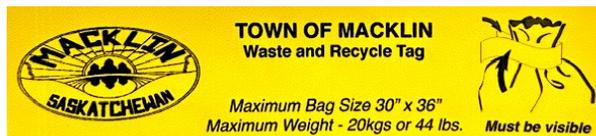

Thank you to all those who cared for Mom over the years. Special thanks to all the Doctors, Nurses & Staff of the the Provost Hillcrest Lodge, the Provost Long Term Care Facility and Provost Hospital for the amazing care, kindness & compassion they have given to Mom over the years and the support they provided to us during in her final hours. She was a well-loved lady. There are no words to express how forever grateful we are. We would also like to acknowledge Dr. Erasmus who always cared for Mom with so much dignity, he was always her favorite buddy.

Thank you to Father Christopher Selvarag Rayappan SAC, St. Mary's Choir, Mrs. Fleck, and Mrs. Rehman for conducting the beautiful funeral service, making it truly memorable. As well as the many others who helped with the service along with the CWL for providing lunch following the funeral.

Thank you to Gregory's Funeral Home Directors, especially Shinell and Jerney for the dignified & professional manner in which they carried out the funeral arrangements and their support and guidance throughout.

As it will be impossible to thank all those concerned individually, please accept this press acknowledgement as a token of our heartfelt appreciation. "May the Deck of Cards always be dealt."

Forever Grateful, The Deck Family

## Hi all, from St. Joe's!

On April 28th, some of us attended the Jubilation at the Villa, the cast from County Fair entertained us with some songs from the production and rewarded us with a delicious supper. Then the cast moved to St. Joe's and wrapped up the production by performing some musical selections with us.

On April 29th, we had a catholic prayer service, and, in the afternoon, we were entertained by The Jammers.

Prepping and planting our gardens and containers has kept us busy. We have enjoyed walks in the park. It is so restful and beautiful. We have been enjoying weekly BBQ's.

As always, our senior buddies bring us so much joy. On May 12th, we had a Mother's Day Tea for the mom's here.

Thank you, Larry Stang, for leading the prayer services on Tuesdays while Father is away.

On May 7th, Con Schielbelbein celebrated his 100th birthday a big milestone indeed. Sadly, Con passed away on May 11th.
