**Macklin Medical Clinic**

We would like to remind the community that Dr. Rahmanian is no longer working at the clinics in both Unity & Macklin.

This has significantly increased the workload of our Nurse Practitioner. Please consider this when needing to book an appointment for chronic disease management, prescription refills, SGI Medicals, and other non-urgent matters. We would like to thank you for booking in advance where possible!

Due to the increase in patient load, we appreciate your cooperation in following up with your current family physician should you not be a regular patient at our clinic. We will make every effort to ensure you receive medical care in a timely manner and appreciate your patience at this time.

Macklin Medical Clinic Board Members recognize the impact that providing medical care has on our community, and they are continuously in conversation with SHA to address the shortage in our community, and to secure sufficient physician and nurse practitioner care for our residents.

We invite you to voice your concerns regarding this shortage to Saskatchewan Health Authority at:

**Kin Canada**  
Kinette Club  
of Macklin

Hello all! We are officially wrapping up another official Kinette year, but don't worry, you will see us around this summer at Bunnock and many weddings.

We had another successful Town Wide Garage Sale this past month bringing in familiar faces from town but also quite a few people from out of town. We would like to thank Reinbold Electric and J&S for sponsoring our BBQ (all proceeds go to Cystic Fibrosis), as well as the vendors at the 1912 market and garage sale locations around town for making it a success.

We are happy to announce that we have ordered some new swings for Project Park for the littles (and little-at-hearts)! So feel free to swing by this summer and check them out.

We are looking forward to the annual Bunnock Tournament coming up quickly; if you are interested in working a shift behind the bar please contact one of the local kinettes as we would love to have you!

Have a wonderful Summer!

**Macklin & District Crime Watch Division*****'Striving to keep our community safe'*****306-753-4001****News from the Hall**

Hi All from the Hall.

Welcome to Summer! As am writing this, we are getting a beautiful rain for the first time since the snow melted. It has been very much needed for the crops, lawns and gardens.

With July upon us, school will be out for the summer. Be extra careful when driving around town as you will notice increased foot and bike traffic on the streets now as the young ones start heading to the pool, the park, the playgrounds or their friend's places to have play dates and enjoy the summer holidays. Take a little extra time around intersections and watch out for the children.

Camping season is here also, so if you are heading out make sure your travel vehicles and holiday trailers are in good mechanical condition. Make sure all your lights, signal lights and brakes are all functioning properly. Check the air pressure in the tires and make sure any quads, kayaks, bikes and boats are all fastened down and secure before you head out. It is a good idea to check your loads along the way every time you stop for fuel or a lunch break. Make your self aware of the campfire rules for where you are. Make sure if you are allowed a campfire, that it is properly extinguished before you leave your site or go to bed for the evening. Let's all have a fun and safe summer camping season.

Call wise, we responded to a person injured on a road construction site. We also had a very busy evening/night when we had to respond to 2 mutual aid calls. A mutual aid call is when a neighboring department is dealing with a fairly major incident, so they will request addition support from another department. First we were dispatched to a fire in the Salvador/Denzil area where we worked together with Luseland. That fire was basically contained, when we got a call from Provost to help them with another fire. We drove back from the first fire, stopped in Macklin to refuel the trucks and then off to Provost. On the drive from scene one to scene two, we drove through basically every weather condition Mother Nature could throw at us. Heavy rain, light rain, no rain, hail and almost sunny weather. It was definitely a drive I will remember for a long time. It is the first time I remember doing two mutual aid calls back to back in my time as a volunteer firefighter. It is pretty cool how the communication works with 2 way radios and phones now. The transfer of clear and accurate information between different departments is very important on a night like this.

That's all from the hall. Let's all be happy campers!!

## Hi all, from St. Joe's!

We have been enjoying our summer so far and are thankful for the rain.

We had fun going to the Provost Sugar and Spice greenhouse to choose flowers to plan in the pots on our patio. There were so many beautiful choices! After they had been planted, we were thankful that the wind didn't blow them to Saskatoon! A huge thank-you to the generous people who donated towards this project.

On June 4th, the CWL came and presented Josie Scherger with an award for 65 years belonging to the CWL. Congratulations, Josie!

Mondays here are hair and nail days for us ladies. It's so nice to be pampered and looking our best! The men, on the other hand, just have to get by on their good looks.

We held a monthly birthday party here on June 20th to celebrate three special residents, Mary, Peter, and Marilyn, as well as our staff who were born in June. Happy birthday to all our June babies!

On June 12th, some residents from St. Joseph's went with some folks from the Villa Marie to attend the Heritage Day at the Provost Museum. Everyone enjoyed their hotdog lunch, homemade cookies, and lots of interesting artifacts and equipment to look at. It was a blast to the past, for sure!

Father's Day was celebrated here on June 16th with cold beer and mini golf on the patio. They even let the mothers join in!

Our Senior Buddies came in to read to us one more time before they finished school for the summer. They will be holding a concert here for us on June 25th, and we can't wait to see them. We wish our wonderful Senior Buddies a great summer and all the best in Grade 5!

Our very talented recreation coordinator entertained us throughout the month by playing on her ukulele or the piano. It's nice to sing along to some old songs.

As always, we enjoy going for coffee at Martha's Place, it's so nice to warm up with a nice cup of joe on a rainy day.

On June 27th, we held a Fundraising Friday BBQ, courtesy of the Co-Op in Macklin. Thanks to all our volunteers, the Co-Op Food Store, and all who supported the BBQ.

A big thank-you to the United Church for the beautiful bouquet of flowers we received in celebration of your anniversary! We're lucky to have you all around!

On June 24<sup>th</sup>, 2025, one of our residents and friends, Tom Nuttall, passed away. We offer our sincerest condolences to his friends and family, he will be missed.

Have a great July!

Until next month,

Peggy Bolton, St. Joseph's Resident

*Macklin Grace United Church wishes to thank everyone who helped to make our 100th Anniversary Service on June 15, 2025 a special tribute to the amalgamation of the Presbyterian, Methodist and Congregationalist Churches on June 10, 1925.*

*We would also like to thank the guests from near and far that came to celebrate with us.*

*We are blessed!*

We would like to extend our sincere gratitude to all those who attended St. Anthony's Day Pilgrimage Celebration at Grosswerder on Friday, June 13th. Despite the unsettled weather, it was great to see those from the surrounding communities, as well as those who travelled greater distances, in attendance to help celebrate this special event.

A special thank you to Reverend Father Santhosh for his help and guidance in planning this celebration along with the clergy from the surrounding areas for their participation. A special mention goes out to Dale Stang and Family for bringing their team of horses, as well as Mike Schachtel for supplying his side-by-side for the pilgrimage procession. Thank you to Mary Lou Schachtel and the Denzil Sacred Heart Church Choir for providing the beautiful music and all the individuals and families who took part in the mass. Your participation is very much appreciated.

Much planning, time and effort goes into the organization of such an event and we would like to show our appreciation to all those who volunteered and/or donated in anyway. Thanks to the RM of Eyehill for mowing the ditches along the procession route, Ternan Farms who donated their tractor and mower to cut grass in the grounds and Rona who donated paint to refurbish the cemetery and the church grounds. As well, thank you to those individuals who helped paint, clean the church and maintain the cemetery and church grounds. Thank you to Mackin Coop for donating flowers and to Margie Scheck for decorating the church and entrance with her lovely floral arrangements.

Following mass, everyone enjoyed fellowship and socializing. Thank you to those individuals and families who brought delicious food items to share and to Luseland Family Foods and the Macklin Coop for donating food platters. As well, we are greatly appreciative to those finan-

cial donors throughout the community and beyond for their donations. These contributions greatly help to maintain the church and cemetery ensuring their continued historical value. We wish to extend a heartfelt thank you to all the volunteers who devote their time and effort to maintaining the church, cemetery and grounds throughout the year. Your commitment ensures the beauty and preservation of St. Anthony's retaining its history and legacy for current and future generations.

To anyone else contributing or helping out in any way that we may have unintentionally missed, we sincerely thank you.

The St. Anthony's Historical Society

On June 23 – Larry Stang was honoured with the presentation of a "King Charles III – Coronation Medal" for his dedicated service to the community. Michael Kincade – Executive Director of Foodbanks Saskatchewan made the presentation.

Larry was nominated for this award by the Macklin Foodbank. He was instrumental 45 years ago in initiating a Foodbank project in Macklin and has been involved ever since contributing, wherever a need.

The Foodbank & Secret Santa Organization has grown over the years to meet our local community needs. In 2024, 74 different families utilized our food program, supporting meals for those struggling with over 10,000# of nourishment. As well, 48 children from 24 families participated in our Secret Santa gift program.

It takes dedicated compassionate people like Larry, to see a need and act. We now have a group of 20 plus actively involved in distributing hampers and a strong community that supports our efforts through food and monetary donations to meet our goals.

## VILLA MARIE NEWS

It has been a busy month at the Villa Marie. We have been on numerous outings around the surrounding area.

At the end of May, we went out to Humble Acres to see all of the new spring baby animals. We enjoyed playing with piglets, bunnies, chicks, lambs, goats, and ponies. Sheena and her family were great hosts, and their kids were such enjoyment as well.

The following week, we were at the Denzil Museum Day, which was a great reminder of the past and the lunch was delicious. We had a summer party with Kelly J to celebrate the start of summer holidays and the end to the card club until the fall. Sticking with the museum theme of the month, we drove to Provost to take in their Provost Museum Day along with a hot dog lunch. Both museum days were not the best weather, but the laughs and memories made it worth the drives.

For Father's Day, the gentleman all went for ice cream at Dairy Queen with Jenn and Karen. Wow, do we love our ice cream!! It was a great visit for all with the sun coming out for us to take in.

The Villa Marie Auxiliary have been busy planting flowers around our facility for all to enjoy. We have to thank Kellie for all the watering she does, it sure is a big job that we know takes a lot of time to maintain such beauty.

To around our month off, we said goodbye to this year Grade 2s as they will be moving onto Grade 3. We wish them the best and cannot wait to meet our new group of Grade 2s in the fall.

The Macklin Synergy Credit Union came up and gave a fantastic, informational workshop on how to protect ourselves against fraud and money protection. We all learned a lot and enjoyed the ice cream that came with it!

We always appreciate and welcome donations to our building! The Villa Marie Auxiliary donated 4 electric recliner chairs to our Fireside Lounge! Boss Vac Enterprises donated money towards potting soil, flowers, and bird seed. Thank you both very much.

The Villa Marie is currently looking for casual staff for evening cook and cleaning shift.

Please email Jenn at villa.marie@sasktel.net if interested.
