News from the Hall

Hey all. Some very exciting news for Macklin and District. I will let the Chief share it in the letter below!!

Pat G. Stang

Captain, Public Relations, Public Education, Recruitment.

Macklin & District Fire Rescue

Cell: 306-753-7378

The Macklin & District Fire Protection Board, along with the members of the Macklin & District Volunteer Fire Rescue have started an addition to the south side of the current fire hall. Some of you may have noticed the construction and wondered what was happening.

This timely and much needed addition of two more bays, was made possible by a bequeathment donation from a former resident of Macklin, Gerry Batey. In honor of her donation and to provide legacy and recognition, the two added bays are going to be called "Batey's Bays!" The timing of this donation could not have been more perfect as the department is currently in need of more room. We have a truck that was donated by Plains Marketing that will be turned into a grass land truck and are also fund raising within the Oilfield community to build a Foam Fire Fighting trailer that will need a home once completed. There will also be a mezzanine for storage and to practice rope rescues off of safely.

On behalf of the Fire Board, the Fire Department and the Individuals and communities we serve, I wish we could thank Gerry for her thoughtful donation. This is something that will service the community for decades to come.

2025 MACKLIN MINOR BALL SEASON

Parent Pitch/Tball

LTP U9 girls

RallyCap #1

RallyCap #2

As we close out the season, we're proud of the growth and determination we've shown. We've had fun, learned together, and made memories that'll last. Thanks to our team, coaches, and families for an amazing year.

11U boys The 11U Lakers Baseball team delivered an outstanding season, finishing the regular season undefeated with a 7-0-2 record and sweeping their home tournament with a perfect 4-0 run to claim the Championship title. The Lakers showcased exceptional skill, teamwork, and determination. Their regular season featured dominant pitching, timely hitting, and strong defense, resulting in seven wins and two ties. The team's highlight was the Macklin Sports Weekend Tournament, where they went 4-0 to secure the Championship at home against Leader. Would like to thank the parents for volunteering their time for jobs and making the 2025 season a success. The 11U Lakers provincial baseball team was made up of kids from Macklin, Luseland and Provost. They had a short season playing only 2 exhibition games and attending the Battleford tournament. The team then travelled to Watrous for the Tier 3 provincial tournament where they played hard, but did not advance to play Sunday.

U11 Softball Season

The U11 girls had 2 teams this season. They started off the season with a "T-shirt" team builder all together, then split off into their teams. Both teams had the opportunity to compete in a tournament in Unity and in their home tournament in Macklin. They took part in exhibition games with some wins and some losses. They worked hard, learned new skills and had lots of fun! After the regular season ended, players from both teams joined to make a Provincial team. This group of girls helped to host a 23 team Provincial Championship tournament. They may not have come out as champions, but they had a great Provincial experience!

13 Girls Softball Recap

2025 Season Our U13 girls softball team wrapped up a strong season with 11 wins and 8 losses, competing against teams from surrounding towns despite there being no formal league to enter. With only four second-year players on a predominantly young roster, the team showed resilience, growth, and heart every time they stepped on the diamond. The girls capped off their season by placing in the Top 8 out of 23 teams at Provincial C, ultimately falling to the powerhouse team from Wynyard, who went on to claim the provincial title.

U13 Boys

Macklin Lakers 13u baseball The Boys had a great season of ball. We competed in the BRBL this year and won the league. Playing Kitscoty in the final. Then on to Tier2 Provincials in Yorkton. The boys had a hard fought weekend with a semi final win in extra innings to head to the championship game. They came up against Rosetown and after a close game we came home with the silver medal. Super proud of all these kids this year!

U15 Softball

The U15's had a great season, these ladies battled hard. We wrapped things up with Provincials in Unity and brought home bronze medals!

U17 Softball

Our Macklin U17 Lakers team entered SoftBall Saskatchewan's "B" provincials this year to see how they could compete against bigger centers and stronger competition...and the girls definitely rose to the challenge. With 21 teams, and 4 pools, there was no room for error. Making it to the "do-or-die" Sunday play-off games put us into the top 6 teams left standing, and a possible back-to-back-to-back game format situation (which we wanted to be in). After beating the 1st place from the Yellow Pool, Yorkton Crush, 14-6, we went on to play the undefeated Swift Current Sonic, and found our groove early, coming out on top, 14-4! With this win, we were in the gold medal game against the strong Twin City Angels, a team that got the "W" on us in round robin play, 7-0. We had something to prove, and after a hard fought, back and forth game, the Lakers came up one point short, 14-13, to bring home the silver medals! It was a fierce and intense weekend to be

18U Baseball

The U18 Baseball season was a successful one. The boys won the Battle River Baseball league in June as well as their home tournament. Then kept busy

with some exhibition games until they travelled to Regina for provincials at the end of July. They played in the tier 2 division and finished third in the round robin. Unfortunately in the semi final game vs Battleford they got sent home at the top of the 7th inning due to a protest. Leaving a 9:3 lead.

Macklin Minor Ball would like to acknowledge and thank all those that helped make the 2025 Season a huge success!!

We would like to thank all the sponsors for your continued support and generous donations!

Thank you to all the fans for coming out to cheer on our players!

A big thank you to parents and caregivers for supporting the players and helping with all the jobs needed to keep the season running smoothly!

The Macklin Minor Ball Executive would like to send a huge thank you to the executive members that have recently stepped down. Thank you to Lindsay Stang, Denise Krieger, Colin Fleck and Craig Folk for all the countless hours you have spent volunteering! We appreciate each and every one of you!

Last but not least Thank you to all the players! It was another great season and it couldn't have happened without you! See you next season!

U19 Girls

The U19 Girls joined forces this year with Kindersley and Provost. They travelled to Regina for provincials this year on July 4 – 6. They battled back from placing 3rd in the round robin and

made it to the finals and came home with a silver medal! Great season girls!

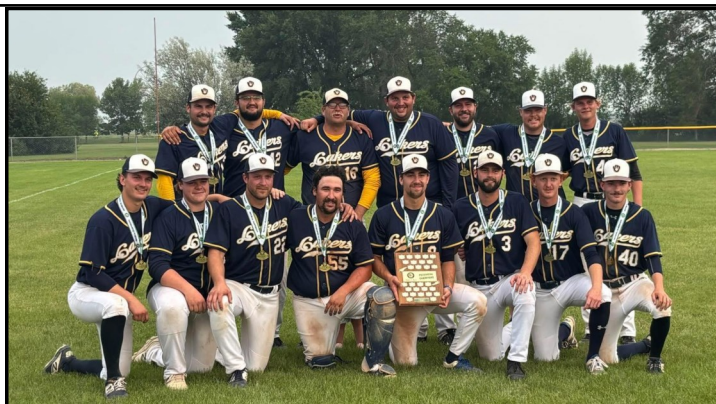

Macklin Senior Lakers

The Macklin Sr Lakers travelled down to Carnduff, SK for Tier 3 Sr. Men's provincials on August 8-10th weekend. The boys came out on top in the round robin and came up against Carnduff in the final.

They battled and came out on top with a 10-6 win.

They also won the BRBL league championship a few days before.

Great season boys! Follow them on Facebook for updates for next year!

Make a **SPLASH** with **JESUS**
this summer at
Macklin
Vacation Bible School

Macklin Vacation Bible School was held from August 18 to 21 this year. The theme was Make a Splash with Jesus. Approximately 65 children ages 4 and up attended the new four day format of sessions. They learned about God's love through bible stories involving water and through water experiments, games and crafts. Thank you to everyone who made the week possible again this year. Special thanks go out to those who donated snacks and brought the children. Thank you for the dedication of our VBS helpers and leaders. We also thank Macklin Daycare for bringing children and staying to help. A special thanks to St. Mary's Roman Catholic Church, Grace United Church, and New Horizons Senior Centre for the use of their facilities; Villa Marie for welcoming us for our closing program; the many individuals who supported VBS financially; and to Delta Co-op – Macklin and Donald L Isaman Professional Corp. who donated merchandise and services. Finally, thank you to the children who attended each day, you are our reason for continuing.

Thank you and God bless you.

TENT CATERPILLARS

TREES AND WORMS—WHAT TO DO

Tent caterpillars feed on deciduous trees both ornamental trees and fruit trees. Some of their favorite trees to feed on are aspen, maple, ash, birch, oak, and wild cherry trees. I've found them in our apple and crab apple trees ever year too.

When tent caterpillar populations get large they can cause a lot of damage quickly. To know if these caterpillars are eating your trees look for small holes on the leaves, leaves that are partially eaten from the outside edge, and branches completely stripped of leaves. Of course you want to also look for tent-like nests in the forks of trees. If they are feeding the damage is easily visually in the early summer.

How To Get Rid Of Tent Caterpillars With Dish Soap

Besides cutting off the affected branch, spraying caterpillars with dish soap is another easy way to get rid of them quickly. The key to making a dish soap spray work is to not let the soap foam up too much. Fill the spray bottle up almost full with water, then add 1-2 tablespoons of dish soap per gallon of water. Then finish topping up the water. Give the sprayer a gentle shake to mix the soap in. This helps to suspend the soap in the water without it floating to the top as bubbles. As you find the caterpillar nests you can spray them with soapy water. It also works very well when you have masses of tent caterpillars on your sidewalk and other areas.

VILLA MARIE NEWS

We started the Bunnock weekend with a game of Bones at the Villa. We then enjoyed a wonderful drive around the Macklin Campground and Bunnock courts, which brought back lots of memories and stories. It was sure busy with all of the campers pulling in. We stopped at the Macklin Clubhouse and enjoyed delicious homemade cinnamon buns and a punch!

The residents were busy painting fish pictures with celery to brighten the hallways at the Villa.

We had our annual "Sundae Funday" with family and friends. We had a large turnout and the weather held out for the afternoon. It was an afternoon full of games, laughter, and of course sundaes with toppings! This day is always enjoyed by all who attend. Off we went to Bodo one day to learn about the past. It was a learning experience for all which was guided by their very knowledgeable staff. We had fun looking at all the artifacts and items that have either been donated or discovered while staff are out on the dig sites.

In celebration of National Senior Citizen's Day, we hosted a tea and invited the community in to celebrate and say thank you. We thanked all of the senior citizens in attendance for everything they have contributed to our community in the past and still to this present day. It is without a doubt that, our community has been shaped and cared for by each and every one of them and has made our community of Macklin the wonderful and caring place that it is today.

The Villa Marie is currently looking for casual staff for the evening cook position. Please email Jenn at villa.marie@sasktel.net if interested.

Follow us at Villa Marie Macklin on Facebook for more photos and news.

Hello, from St. Joe's!

Well summer went by quickly, and it seems like August has flown by too.

We have been busy here. As well as our usual activities, some volunteers helped to run the food booth at Denzil Days over August 9th and 10th. Through their volunteerism, the Denzil Recreation Board donated \$2,000 to our recreation department. Thank you all for your hard work!

We had our Family Fun Day this month as well. We started the morning with a car show which was awesome! Thank you to everyone who brought the amazing cars, it was so interesting to see so many vehicles that have come and gone over the years. I should have joined in – I'm something of a classic model myself! As well as the car show, our families were invited to a BBQ lunch. The burgers, buns, and drinks were donated by the Co-Op, and all our yummy ice cream treats were donated by J&S. Thank you all for your donations, they tasted delicious! Finally, we topped off the day with some amazing music from The Jammers! Thank you to everyone that made this day so much fun, we had a great time.

Our St. Joseph's Staff Association held an End of Summer Raffle, where the winner of the draw would win a camping prize pack that included two lawn chairs, a cooler, lots of camping accessories, and a \$50 Co-Op gift card. Congratulations to our winner, Janaille Ekencrantz, we hope you enjoy it! Thank you to everyone who bought tickets to support us!

On August 21st, we had our monthly birthday party, with a lovely birthday cake from the Co-Op and amazing entertainment from the very talented Line! We had to pick our jaws up off the floor after she was finished, what incredible talent! Sadly, on August 23rd, George Graf passed away. We will miss him, his helpfulness, and his humour dearly. Our condolences to his family and friends at this time, he was one-of-a-kind.

We also wanted to thank Doug and Dorothy Conly for bringing us ice cream sundaes over the weekend. They were so yummy!

On September 26th, we will be having our garage and bake sale in the St. Joseph's ambulance bay from 10:00AM until 4:00PM. We have enough garage sale items at this time, but donations of baking would be appreciated!

A funny story to end our update... I was downtown the other day, and an elderly woman was standing on the sidewalk asking for help. I asked her what was wrong, and she told me that she couldn't find her car. I thought, 'well, this will be easy, there's only 3 cars on the street!' I asked her what colour her car was to narrow down our options, and she looked at me like I was strange and said, "well it's car colour." I sure hope she found it. Happy Harvest – we hope it goes well for you and that Mother Nature cooperates!

*Until next time, take care,
Peggy Bolton, St. Joseph's Resident*

Did you know???

Nurse Practitioners have extensive knowledge and skills. They are able to provide care from well babies and families to critically ill patients in intensive care units. NPs treat the whole person. The provision of services will depend on the setting, but they can treat and diagnosis illness, refer to specialists and interpret diagnostics. Some NPs have the ability to provide minor surgeries and stitches. NPs are accountable for their own practice and it is their sole responsibility to communicate with patients test results, treatment plans, and are responsible for follow up. NPs may counsel patients on health management, alternative therapies and rehabilitation strategies. NPs in Saskatchewan may also now admit and discharge within health care facilities.

NPs are independent health care providers and they offer a wide range of services similar to family doctors.
