St. Joe's is on the Go!

Fall has certainly arrived. A chill in the air, harvest is done and in the granaries! It must be nice to be a farmer from now until the spring, just having to watch TV and eat bon-bons... Kidding! We know you work hard and can finally take a well-deserved break.

On October 3rd, Larry the Balloon Man dropped in and brought many smiles with his amazing creations.

On October 17th, we were all invited to get shots. I was hoping for tequila... but they gave me the flu shot instead – what a rip off! That was some false advertising...I have a bath!

Recreation – Does a very good job, however, refuses to call the right numbers during bingo.

Care Aids – Sweet, friendly, and the best caregivers in town (even though they wake me up early sometimes).

Nurses – Keeps me medically well, but gosh help you if you don't meet their expectations with bowel movements!

Administration – Friendly, kind, helpful, and a great door-opener! Last, but not least, the big cahoonna (head nurse) – pretty friendly, and always approves of the columns I write (she loved this one).

On a more serious note, on October the 7th, we lost a very good friend of ours, Louise Gartner. And on October 22nd, we lost our lovely Amy Benoit. They both will be missed dearly. Our condolences to all their family and friends.

We hope you had a wonderful Thanksgiving and an enjoyable Halloween! Our Senior Buddies made us each a Thanksgiving placemat, and two very handsome little boys brought us each a homemade card for Thanksgiving. We appreciate that you were thinking of us!

We will also be voting here at St. Joseph's for the elections. We're glad to have them come to our home so we can be involved in the process as well.

I think that about wraps up this month, so, until next time!

Peggy Bolton, St. Joseph's Resident

News from the Hall

Hey all from the Hall!

Well we have had a very busy October at the hall. Fire Prevention Week seems to keep things hopping there. I hope you all remembered to check your smoke detectors!! On Thursday Oct 10th we had about 130 students from Pre K to Grade 3 come visit us at the hall. This year we were very lucky and were able to book a public education trailer that has been built by the Kindersley Fire Department. This trailer has a kitchen and a bedroom where you can simulate different conditions. In the kitchen you could “start” an oven fire or a garbage can fire. The students were then shown what to do in these different situations. When the oven started burning inside all they had to do was turn the power off and leave the door closed. If the garbage bin was burning they could use a fire extinguisher to put the fire out. The fire was flashing yellow lights and the extinguisher would shine a green light on the fire and it would go out. In the bedroom we could make smoke start coming in under the door. They were shown how to use whatever was in the room to place along the bottom of the door. They could then feel the back of the door and if it was hot, (And it was) they had to climb out the window. It is a very high tech trailer and a great tool for teaching fire safety and awareness. It was a huge hit with the kids and the teachers. Thank you to the Kindersley Department for building such a great training trailer. Thank you to Jamie Barr for doing the scheduling at the school and for all the teachers, aids and students for making the trip to the hall. After the school kids we had the Daycare children come and tour the hall and see the trucks. They were so much fun. This year we had a new group come and join us at the hall that day as well. Several residents from the Villa Marie came to tour the hall and see the trucks. Several of them said they had never been in a fire hall before. It was a great time and they asked lots of great questions. They had me thinking on a couple of them!! Thank you Karen for arranging to get the residents there!! It was a very busy day and lots of fun for us. Thank you to Amy, Cody, James and Therin for taking a day off and helping get all the kids through the trailer. Wyatt Sieben won the Ride to School in a Firetruck. James and I picked him up Friday Morning and took him to the hall for a quick tour and then dropped him off at

school. It was great to see Miss King and his classmates waiting and waving on the side walk.

The next day the Chamber of Commerce sponsored an Open House at the Hall. They rounded up a great group of volunteers to barbeque and serve hotdogs and burgers. There were salads, cookies and a special cake was made for the day. The weather was great and the attendance was amazing. About 300 people stopped in that day to enjoy supper, fire hall tours, a jumping tent and the public education trailer was still there and it was kept very busy right from 4 o'clock until 7. It was so great to see so many people come out and support us. Thank you to the Macklin Chamber of Commerce and all the volunteers who helped make it such a great day. There was a donation box set out and a HUGE, HUGE thank you to all the people who made very generous donations. There was over \$8000.00 dollars donated that day!!! All that money will go directly towards purchasing more rescue equipment and finishing the trailer we are going to haul it with.

Also the video done by My Mutual Insurance is now posted on our Facebook page if you want to watch it. It turned out pretty amazing. As you can see we have had a very busy and productive month at the hall. November is now here and you might want to check the condition of your vehicle tires, replace them if necessary or put your winter tires on if you have them. That's all from the hall. Be safe everyone!!

BILL ROADHOUSE

June 10, 1931—October 1, 2024

The family of Bill Roadhouse extends our deepest thanks to the communities of Evesham, Macklin, Senlac, Unity and others near and far for the respect and honoring of Bills life expressed in so many ways since his passing.

The support and love expressed to us has brought comfort and strength during this very sad time. The cards, calls, flowers and donations in his

memory to the Evesham Community Centre have been so appreciated.

Thank you to Gary Johnson & Verna as well as all those who participated in the funeral service, the luncheon and who came to the service.

Bill's wish was that his last wagon ride be with a team of horses and one of his wagons. Thanks to Glen and Brenda Lisch and Macklin Fire Department, who provided highway security, his wish was fulfilled.

Thank you to the Villa Marie, Home-care staff, and all the doctors & staff at Provost Hospital for their kindness and dedicated care over the past year.

Last of all to Gregory's Funeral Home and Shinell Prediger, thank you for making this difficult time in our lives much easier.

Ferne,
John & Irene, Jim & Carol,
Kate and Janice and families.

ANNOUNCING OUR WINNER - MACKLIN BEA FISHER 50/50 DRAW

VILLA MARIE NEWS

The month of October has been jam-packed with fantastic celebrations and memorable events!

We went on a hayride across town to take in the fall colors and fresh air. Warm apple cider and fall-themed popcorn were a welcome addition as we waved at the friendly people all over town. Thanks to Mike Wiens, who drove us around. We also enjoyed visiting Macklin & District Fire Rescue as part of their Fire Prevention Week program.

Our 2024 Beautify the Villa project concluded with the planting of 20 new trees in honor of loved ones, with beautiful individualized metal signs next to each tree. We had an elegant afternoon party with dainty refreshments and a presentation on all the people in whose honor trees were donated.

Villa Marie celebrated Oktoberfest in a big way and it was wonderful with German music and food all day long. Kraut supper and beer buns, pretzel-making, kuchen, bratwurst, schnitzel, sauerkraut, glaze, braised red cabbage, black forest dessert, grebbel... Yum! Residents Cathy Wiens and Gabe Kohlman, along with Gail Wiebe, provided afternoon entertainment and The Jammers entertained a full house during the evening festivities. We could not have asked for a better crowd and quite a few people joined in to dance a range of traditional dances. Make sure you check it out on our Villa Marie Macklin Facebook page. Thanks to Synergy Credit Union's Jordan Heffner and Corinne Smith Knox for their support, as well as Luella Bosch and Terri Murrell.

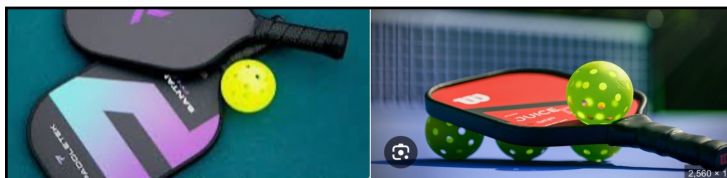

Join us for a night of fun, food and prizes- all in support for Telemiracle!

ELECTION 2024

(In Alphabetical Order—Mayoral Candidates followed by Councillor Candidates)

Mayor Candidate: My name is Brad Bogen, I am 46 and have lived in Macklin for 26 years.

My wife, Courtney and I enjoy volunteering. She is the current President of the Macklin Kinettes and I am currently the past President of the Macklin Wildlife Federation after serving four years as President and being a member for 17 years.

After having actively served on Town Council for the past 4 years, I have decided to put my name forward and run for Mayor for the Town of Macklin. Being gainfully employed within the oilfield sector as a Lead Operator we are always striving to look to the future and plan ahead 2-3 years. I believe that by utilizing my experiences and applying this way of thinking to the Town of Macklin and its council, that we can work together to help our town grow in a positive direction. I am a firm believer in supporting local and love to see all the new businesses coming to town.

I am proud to call Macklin my hometown and I would appreciate you voting for me to be your new mayor in the upcoming election.

Mayor Candidate: My name is Stephen Lowe. I am 43 years old. I am married with 4 children ages 9-16. I own and operate Lowe Automotive Ltd in Macklin.

I have lived in Macklin since 2011. Since I have lived here, I have been very involved in many community groups and organizations. I have served as president of the Macklin Chamber of commerce. I am a board member and one of the founding members of the Macklin & District Crime Watch Division. Along with being a Captain and Training officer for the Macklin & District Fire Department I am also trained as a Medical First Responder. I have been heavily involved in Macklin Minor hockey and Macklin Minor baseball in numerous coaching positions. I have also, this year, got back into officiating hockey as I found there was a huge need for senior officials.

I have served on town council for the past 10 years. 6 years as a councillor and most recently 4 years as your mayor. 4 years ago, we had a large shift in council members and the mayor position. Since then, I believe we have done a good job in weathering the troubling pandemic and economic hardships. Thanks to all of you, we have been able to come out of these hard times with a stronger sense of community and a united leadership group. We have been able to progress with infrastructure projects, community beautification projects, removal of derelict buildings and so on. When I started on town council, we had 6 or 7 empty buildings on our main street. I am proud today to say that every single building on

main street is now occupied and working to better our community. Now we can't take all the credit for sure, but I believe that having provided strong and fair leadership in our community has been a huge draw for reinvestment into our downtown.

We always have many future needs and desires in preplanning stages. These projects do take time and require lots of deliberation and dialogue. My goal, if re-elected, is to keep forging strong and fair leadership for our wonderful town. We want to see growth and have Macklin continue to flourish as we know it can.

I please ask for your vote to continue to serve you as your mayor.

Councillor Candidate:

Hello, I'm Greg Bast. I am 38 years old. My wife Kaitlin and I have 3 girls, Natalie, Lydia, and Vivienne. I'm a journeyman autobody technician at Slick Autobody.

I've been a member of the Macklin Fire Department for twenty years; the last nine years I have been deputy chief. I was elected to town council 4 years ago. I've enjoyed my time on council learning how the town operates and being a part of developing our community. Kaitlin and I often remark that we must live in the most beautiful small town in Saskatchewan.

I am proud of our town and thrilled that so many young people are moving back home and opening businesses. Our down town has never looked better and offered more. We wouldn't want to raise our daughters anywhere else.

Councillor Candidate: My name is Kevin Fischer. I have lived in Macklin for almost 35 years. My wife, Myrna, and I have two children, Kirsten and Rhett, who graduated from Macklin school and are pursuing undergraduate degrees at the University of Saskatchewan. I currently work for Mantl Canada. I am currently on Macklin & District Aquatic Centre Board, Macklin Lake Regional Park Board, and Macklin & District Fire Department Board. I have volunteered with other extracurricular groups in the community by helping coach and manage hockey, baseball and softball.

As I have stated in previous years, I am committed to the development of infrastructure to support local businesses as well as attract new businesses. I am proud to see the new businesses that have been established in our community as well as existing business owners who have made our downtown area one to be envied. Macklin is offering new services to our community members, making it possible for residents to acquire many essential services and necessities within our community. I will continue to encourage progression in our community to ensure a prosperous future for everyone who resides in Macklin.

Councillor Candidate: My name is Dustin Gartner. I was born and raised in Macklin, and I am currently employed with Strathcona Energy. I have been actively involved in the community in many ways. As a youth, I participated in both minor hockey and baseball and enjoyed being able to play these sports in great recreational facilities. As an adult, I have been actively involved with the Macklin Bunnock Association as a volunteer for the past 12 years. For the past 28 years I have been a senior hockey referee and have provided many hours teaching and mentoring to minor hockey officials.

The facilities we enjoy as youth and adults in this community are top notch and unmatched by any community of our size. The recent upgrades to the waterlines, sidewalks and streets makes our community very attractive. We need to keep encouraging improvement and growth within our business sector, maintain our high-quality recreational services, and provide an atmosphere that is attractive for young families and seniors alike.

With your vote, I will work with other members of Town Council and the community to pursue a sustainable future for Macklin.

Councillor Candidate: My name is Nicole Harbaruk Syverson and I am running for a second term as councillor for the town of Macklin. I have lived in Macklin for the majority of my life. My parents owned various businesses in town when I was growing up and I have strong ties to this community. I am married and have two adult children who work in healthcare and finance. I do quality control for an oilfield company and May-August I also manage the swimming pool in town. Communities in Bloom, Kinettes, Macklin Soccer Association and Macklin Care-A-Lot Playschool are some of the committees I have served on in the past.

During my term on council, I have concentrated on healthcare and the beautification of Macklin's Lakeview Cemetery and the downtown area. The changes we have made as a council, I believe, have enticed new people to move to town and create businesses to help it grow which allows our town to offer so many services.

We now have a full-time nurse practitioner at our clinic and my goal, if elected to another term, is to retain a second nurse practitioner as well focusing on infrastructure to support a growing, prosperous community for everyone.

Councillor Candidate:

Hi my name is Josh Kirzinger and I've called Macklin home for 21 years and I'm an operator for West Lake Energy. I'm a member of the Macklin Wildlife Federation for 8 yrs and held the position of treasurer for 5 yrs. I've been on the MADAC pool board for 9 years and have been the president for the past 5 years.

I coach a softball team for the Macklin Lakers and have started to umpire some games when I have time. I spear headed and coach the NASP archery program that runs through the winter at the school.

I'm running for council to help continue to make Macklin a great place to live and raise a family.

Councillor Candidate: My name is Rob McCaffery. I am 41 years old. My wife Kristen and son Keelan moved to town in 2012 from Swan River, MB. I am originally from Hudson Bay, SK.

I have worked many different roles with the Co-op over the last 22 years. Started as meat cutter in Saskatoon, meat manager training in Outlook and Nipawin, SK, meat manager positions in Unity and Swan River, food manger and branch manager in Macklin then became Consumer Business division manager with Delta Co-op. I oversee three food stores, two c-stores and Dairy Queen within Wilkie, Unity and Macklin. Working with Co-op has given me many opportunities within our community and partnerships.

I have been apart of various committees in the community like Macklin Minor Hockey: coaching and on the board; Macklin Minor Ball coaching, and being a part of the Chamber of Commerce. Fundraising for the scoreboard on trappers filed, updating the outdoor hockey rink. Joining town council for the past two years and joining the town library committee and hall committee, being a board of director for WYWRA environmental company, and being a committee member with our new Market 1912 space downtown, multiple public fundraising bbq's over the years. We have a great community, I would like to keep our paving project going, keep our town facilities updated, and making sure we are planning for our future developments and improvements to the community.

Councillor Candidate: Hi, my name is James Stang I am 45 years old, I moved to Macklin at a young age and attended Macklin High School where I graduated in 1998, after graduation I worked for the family business at Trisco Oilfield Services then after a couple years moved to Lloydminster where I met my wife, Lindsay. We moved back to Macklin in 2005 after living in Lloydminster for 4 years. We bought our house later that year and have called Macklin home ever since. Lindsay and I have been married for 19 years and have 2 children Peyton (who is currently enrolled at the University of Saskatchewan) and Bella who is in her final year at Macklin High School. I currently work for Steel View Energy and Industrial Services here in Macklin as the Health and Safety/Training Manager. I have my NCSO designation in Saskatchewan through the Saskatchewan Construction Safety Association and my designation in Alberta through the Alberta Construction Association. I am a certified Internal Auditor through both the SCSA in Saskatchewan and in Alberta through the ACSA. I also teach various courses from Standard First Aid CPR, H2S Alive, Confined Space Entry and Rescue, and Fall Protection. I am currently in my final year of getting my Occupational Health and Safety Certificate through the University of New Brunswick.

I have been a dedicated member of the Macklin & District Fire Department for the last 4 1/2 years and have expanded that into being a Medical First Responder Level 2 over the last 3 years through the Saskatchewan Health Authority. I have coached Softball for my daughters Peyton and Bella for Macklin Minor Ball, I was an assistant coach for the Senior Girls Basketball team in Macklin through Macklin School and umpired softball. I was previously a member of the Macklin Bunnock Association for over 5 years and took a little break and am looking to get back involved.

I am seeking election because I am proud to call Macklin mine and my family's home, I would love to help keep this community a great place to live and work and help it to keep growing by attracting more new businesses and new people. I believe my combined life, work and community experience I would bring a fresh new perspective to Town Council.

Councillor Candidate: Rodney Stang, Age 51

Married 27 years with 2 children
Local Business Owner with a Diploma in Business Administration
Born and raised in Macklin

Involvement in the community:

Macklin Minor Hockey Association – 9 years and President for 2 years
Macklin Minor Hockey – Head Coach for 6 years and Assistant Coach for 2 years
Macklin Golf Association – 7 years, President for 4 years
Macklin Lake Regional Park Board – Director for 13 years
Macklin Minor Ball Association – Assistant Coach 2 years
Town of Macklin Councillor – 4 years

I am seeking re-election because I am proud to call Macklin "Home". I will continue to work hard to ensure that Macklin is a great place for others to live, work, raise families, and enjoy all this community has to offer.
