## News from the Hall

Well after a couple of very busy and stressful months it's nice to get back to a more normal pace at the hall. That being said, the month of October is upon us. It is time to start getting ready for Fire Prevention Week again!! The theme this year is "Smoke Alarms: Make Them Work For You!" This is pretty straight forward. It is always good to do regular checks on your smoke alarms. Very simple and quick tests on them could make a huge difference in your life some day or night. Check that they are functioning properly. It is recommended that if they have batteries that they are changed once a year. Make it a habit to check them during fire prevention week. Units that are over 10 years old should be replaced. Of course we are looking forward to having some of the elementary students come to the hall so we can have a chat with them. They are always so attentive and have some great questions. I will update how it went in my next newsletter.

This year as part of Fire Prevention Week, The Macklin Chamber of Commerce is hosting a "Firemen's Appreciation/Open House" at the fire hall on Friday Oct 11<sup>th</sup> from 4 to 7. They will be serving burgers and hotdogs at no charge. Donations will be accepted if you wish. It will be a chance for everyone to come and meet us at the hall. We would be very happy and proud to show you around. You can have a look at the trucks and the equipment we have there. Our new grain rescue equipment will be there and any donated money received that day, will go directly toward helping to pay for the new stuff. There will also be a fire truck themed bouncy tent there for the young ones. Welcome, one and all. We look forward to seeing you in our hall. Watch for posters around town and updates on our Facebook Page. I hope we see you there.

On September 24<sup>th</sup>, 3 representatives from My Mutual Insurance

attended our meeting and training night. They brought a donation of \$5000.00 dollars and they wanted to see what the money was used for. They got to see 2 new AED machines that we now can carry in our trucks. They also brought a camera man who filmed us while we were training. We took their crew out to our training ground and did a mock rescue of a car accident so they got to see the new Jaw of Life in action. The Mutual Team asked if they could talk to someone who we had helped in the past. We had a community member come to the hall that night and he explained how we had helped one of his family members at a very serious car accident. His words and emotions were very, very powerful and moving. First he spoke to the camera crew and then he came up to the meeting room and spoke to us. First he asked who helped that day and about half the members in the room put up their hands. He then told us how his day went that day, from when he got the call at work, to getting to the accident scene, to getting on STARS and getting to the Saskatoon Hospital. He touched all of us very deeply and I'm sure none of us will ever forget his heartfelt words and gratitude. He told us to keep on doing what we are doing. That we shall do Sir!! That we shall do!! Thank you for your courage and support!!

Call wise, we had one small stubble fire that was brought under control very quickly and we were back at the hall in about an hour.

That's all from the hall!! Hope to see you at the hall on the 11<sup>th</sup>! Otherwise be safe and check your smoke detectors.

Have a safe month!!

Macklin Vacation Bible School was held from August 19 to 23 this year. The theme was God's Kids Pray. Approximately 65 children ages 4 and up attended the week of sessions learning through the life of the Apostle Paul about prayer and how it changes things. Thank you to everyone who made the week possible again this year.

Special thanks go out to those who donated snacks and brought the children. Thanks to our VBS helpers: Willem Hoogstad, Emily Hollman, Amanda Kloster, Natalie Kloster, Ellen Halliday and Rylne Sieben. We also thank Macklin Day-care for bringing children and staying to help. A special thanks to St. Mary's Roman Catholic Church, Grace United Church, and New Horizons Senior Centre for the use of their facilities; Villa Marie for welcoming us for our closing program; the many individuals who supported VBS financially; and the following businesses who donated merchandise or services: Delta Co-op - Macklin, Macklin Subway, and Donald L Isaman Professional Corp.

## St. Joe's is on the Go!

Summer really flew by quickly. We hope it stops raining so the farmers can breathe a sigh of relief to have the harvest done.

As well as our usual activities of church, daily exercises, bingo, etc., we were entertained by Sylvia from Provost. What a beautiful voice! Our recreation director plays the ukulele for us, and we so enjoy it.

Some of our residents enjoyed a nice country drive, reminiscing about their old farms, pointing out where friends used to live, and seeing how beautiful the downtown is with all its flowers.

The Villa Marie challenged St. Joe's to a Bunnock match. Such fun – it ended in a tie!

We also wanted to acknowledge our Macklin Fire Department and thank them for their dedication to our community.

One of the highlights of our month is having the Grade 4 class from the Macklin School come to read to us. Such a nice, polite bunch of kids. They brighten our day!

One of our residents and a dear friend, is moving to Unity. We wish her good luck in her new home, and we will miss her very much!

Happy Harvest!

Until next time,

Peggy Bolton, St. Joseph's Resident

### PREMIER SCOTT MOE VISITS MACKLIN *By Lori Cosh*

On September 10<sup>th</sup> Premier Scott Moe visited Macklin before heading to Lloydminster for the Oil Show.

He first had a closed meeting with Town Council and outgoing Administrator Kim Gartner and Incoming Administrator Chris Lamontagne, as well as Outgoing MLA for the Kindersley Constituency Ken Francis. At the end of the meeting the Premier was presented with a set of Bunnock. It was joked about that he should go home and practice so next year there would be a Moe Family team entered into the World Bunnock Championship in Macklin.

After the Council meeting Kim, Ken and Premier Moe took a walk up Main Street to the new Market Area. Premier Moe was told about the transformation that area has had and that it was kick started by a Government Grant, as well as the numerous improvements the rest of our Main Street has seen in the past couple of years. (New Business', paving, etc). Macklin now has a Main Street that many small towns would love to have.

The Premier then went to 1-11 Wellness to meet Dr Jillian and her husband Cole. They relived the renovations of the old building and presented a lot of pictures to the guests. Premier Moe was given the story of "a young couple who grew up here, moved away to Alberta, came back to Macklin to raise their family and start a business that is bringing vital services to our town that never existed before".

Everyone was given a tour of the beautiful location and Premier Moe was especially fascinated by the old original beams, the original Shiplap that adorns some of the rooms, and the labor of love they had to renovate an older building to make it modern but keep some of the important old features still prevalent to showcase.

Before he headed out of town he stopped at RONA and met with the Owners Robin & Lori Cosh and Irv Deck. The Premier was told about the journey of that business and Kim Gartner pointed out that the store has helped the draw of bringing Albertan's and other out of towners this way to shop.

### KINETTE REPORT

Welcome to a beautiful fall and we hope everyone has had and continues to have a safe harvest season. We wanted to give everyone a recap of our summer and let you know what we are up to so far this fall. We are grateful to the support that we receive from the community and area. Whether it is supporting a BBQ for cystic fibrosis, having a beverage at the Bunnock beer gardens, volunteering a shift or choosing to donate your lemonade stand profits – we can't do what we do without your support.

We are happy to report that our BBQ at the town wide garage sale held at the beginning of June helped us raise approximately \$1000 that will be donated to CF. Kin Canada has been partners in fighting this disease for 60 years and money raised helps to fund research and support families through their CF journey. We were also happy to support the Bea Fisher Centre in their fundraising efforts through a donation of \$2500 toward their window project. We were happy to participate in the 30<sup>th</sup> anniversary parade for Bunnock and operate the beer gardens over the weekend. The Harreson James Band had the crowd going on Sunday night and the proceeds from our beer gardens are put back into the community and service projects throughout the year. Thank you to all those who volunteered – we are always looking for volunteers to join every year! We also worked a few weddings and we'd like to congratulate all the couples and thank them for using our event services.

And that is how we spent our summer 😊 Up next is our monthly meeting on October 14<sup>th</sup> at 7:00PM in the upstairs room at the Macklin Credit Union Legacy Centre. Anyone, male or female, 19 or over are welcome to come check it out. Stay tuned for our upcoming events and save the date for February 14, 2025 – we have a special event coming your way!

*Beautify the Villa*  
 OPENING CELEBRATION

October 4<sup>th</sup>, 2024  
 3:00 p.m.  
 Villa Marie  
 5201 Leader St

We are delighted to invite you to the celebration of our Beautify the Villa project.

With your support, Villa Marie planted 20 trees, each in honour of someone special.

We look forward to seeing these trees grow as we cherish the memories of dearly loved ones and the special times they share or have shared at Villa Marie.

**VILLA MARIE NEWS**

Villa Marie had a marvelous and busy end of summer, with buckets of fun making bucket pickles, enjoying a campfire evening, a music concert by Sylvia Huttges & Lori Scheck, a game of Bones with our friends at St. Joe's, and a cozy afternoon listening to Cole from Bea Fischer Center reading for us in front of the fire.

With everyone heading back to school, Villa Marie residents took a trip down memory lane and shared memories of their school years on Facebook. Take a peek at our Villa Marie Macklin Facebook page if you haven't seen these already!

Our Laps for the Villa fundraiser drew to a close and we are thrilled with the money raised for activities and outings. Thank you so much to our awesome community for all of your support. We exceeded last year's total and started planning a trip to Hawaii if we raised much more... We did not quite reach that point, so we decided to bring Hawaii to the Villa as we celebrate our wonderful fundraisers!

**VILLA MARIE THANKS**

Thank you to Synergy Credit Union for donating the proceeds of their Harvest Festival mini-donut sales.
