## 2024 WILDLIFE SUPPER & AWARDS

Macklin Wildlife Federation held another successful Awards banquet on January 13th. The annual sold out event is one of the club's biggest fundraisers, with proceeds going back into various projects and programs around the community. The Club went above and beyond with the delicious food options that were prepared, guests could be found trying various cuts of Moose, Elk, Deer, Wild Boar, Rabbit, Fowl, and Fish. After everyone had enjoyed supper, the Club started to announce and award the winners in all Big Game and Fish categories. Once again all attendees were able to take in the stage display of most of the Big Game animals harvested from our area this last year, as well as a lineup of live auctions, raffle draws, and silent auction items abroad. The event continues to bring out people from all over our area to take part in all the night has to offer. The Macklin Wildlife Federation would like to take this opportunity to thank each and every one of their sponsors, volunteers, and attendees, without your support events like this are not made possible. We had a lot of Junior Non Entries, the more youth we get involved the better. Parents can buy Memberships through Dustin Rissling at 306-753-8026. Congratulations to this year's winners:

MACKLIN CREDIT UNION LEGACY CENTER - HIGHWAY 31

## News from the Hall

Hey All. I hope the cold snap has passed us by the time you are reading this!! Those were some of the most extreme temperatures and wind chill ratings that I can remember. Temperatures like that can change a simple everyday occurrence into a very dangerous situation in a matter of seconds. Let me use an example. Imagine someone is driving home in the dark with 2 other passengers. Suddenly a moose walks out on the highway and is hit by the car. The moose rolls up over the hood and breaks out the windshield and the windows of both front doors of the car as well. (Trust me, this can happen) Now you are sitting in a car that can't drive and the front 3 windows are gone. The car will start getting very cold, very quickly. What are you going to do?? Another example, is what just happened this winter in Kentucky. A major snow storm happened and several motorists were forced to spend more than 12 hours on the highway that night. Are you prepared for something like this? What would you do?? This is why we encourage you to carry a winter emergency kit in your car. Extra blankets and extra winter cloth such as boots, mitts toques etc. This will definitely help you in the short term until help can get to you.

Also if you have to travel long distances make sure you fuel up more often than usual so you have some extra idle time if you need it. I have seen people driving in tshirts in weather like we just had. If you

would get in an accident, you have very little time to get to a warm place.

We didn't have any calls as of this writing while it was so very cold. We had to respond to a fire a couple of years ago when it was 37 below. We did get the trucks to pump and the fire was put out but when we got back to the hall, several of the members had almost an inch of ice on the turn out gear. Their pants literally stood by themselves on the floor until they thawed out. So yes we are very glad not to get called out on nights like that but we do have extra warm cloths and socks right beside the bed in case we do have to go.

Membership wise, we had a member retire. Ty Kolhman has stepped away from our department as he is pursuing another career option. We would like to thank Ty for his dedication and professionalism while he was with us. He will be missed. Good luck in your new endeavor!! I am very confident that you will be fine there.

That's all from the Hall. Be safe out there every one and make good choices!!
