MACKLIN MEDICAL CLINIC UPDATE

For the past 2 years, Macklin Medical Clinic has had the pleasure of offering our community the physician services of Dr. Deena Shah, and Dr. Nathan Choong. We regretfully inform you that both physicians will be leaving the communities of Macklin and Unity in mid August. Dr. Shah will be accepting appointments at our clinic up to and including Aug.14/24, and Dr. Choong will be accepting bookings at our clinic up to and including August 16/24.

Macklin Medical Clinic will continue to offer excellent care from our Nurse Practitioner, and the recruitment team at SHA continues to work diligently in finding additional provider coverage for our community.

We would like to thank Dr. Shah, and Dr. Choong for the care they provided our community, and we wish them well in their future endeavours.

PROPERTY OWNER RESPONSIBILITY

The Town of Macklin has a bylaw that provides authority to regulate and enforce the care and maintenance of your private yard. If your property is adversely affecting the health or safety of your neighborhood or is interfering with your neighbor's enjoyment of their property you may be in contravention of this bylaw. Annually the bylaw section dealing with overgrown grass and weeds as well as general yard maintenance is a large source of complaints to the town office. It is your responsibility to ensure your property is neatly cared for; this includes the boulevard adjacent to your property. Grass and weeds should be maintained regularly, and trees/hedges should not be overhanging the sidewalks.

The Town of Macklin has the authority to inspect your property, deem it to be untidy and order you to remedy all items listed in a written order. Should the items listed in the order not be corrected in the time provided, seven days, the Town of Macklin will hire a contractor to complete the work required. All fees and charges associated with the ordered work will be invoiced back to you the property owner; if this invoice remains unpaid it will be added to and be collected with your annual property tax invoice. For the benefit of the whole community take care of your property; it will allow everyone to enjoy a clean and safe community environment. The enforcement provisions outlined in the Nuisance Bylaw are there to promote community pride and are considered discretionary enforcement tools for compliance. For a complete copy of the Nuisance Bylaw please visit the town's website at www.macklin.ca/government/bylaws/nuisance

NATIONAL ARCHERY IN SCHOOL PROGRAM (NASP)

This program originates from Kentucky USA, in 2002. It was launched in the schools and many countries have adopted the program. Macklin school is having a great success with this program. In 2023 Belle Boser Sieben competed in the provincial tournament and placed 9th out of 95 girls grade 10,11 and 12. May 25/24 there were 5 archers representing Macklin school in the national tournament in moose Jaw.

Rogan Selzer won 2nd place in the boys grade 4 ,5 and 6 in the elementary division. He won 2nd place for grade 5. A total of 282 boys in grade 4 to 12, Rogan placed 90th. Kaiden Marsh finished 10th in grade 4 boys and placed 18th in the elementary division. Lane Sieben finished 17th in grade 4 boys and placed 32nd in the elementary division.

Belle Boser Sieben finished 13th in grade 12 girls and 49th in the high school division grade 10 , 11 and 12. Dylan Pool finished 23rd in grade 6 boys and placed 23rd in elementary division.

Once children enjoy the thrill of success, with proper instructions, practice and positive attitudes they realize they can accomplish many things. As a coach it is rewarding to watch their confidence and self-esteem grow.

The Saskatchewan wildlife federation implements the archery program, and the Macklin wildlife club sponsors the program. Instructors/coaches are Marshall Giggs, Lena McCarthy and Josh Kirzinger.

Here are the results of the provincial tournament, Kaiden Marsh grade 4 ranking 2nd in the 3D targets in the elementary divisions.

Rogan Selzer, grade 5 ranked first in the bull's eye and the 3D targets for grade 5 boys. He won first in the provincial tournament in elementary boys grade 4 5 and 6.

Kinette Report

Hello all! We have had a great spring as the Macklin Kinette Club, specifically our successful Town Wide Garage Sale that had a record number of participating houses around town and a BBQ that raised about \$1000 for CF (Cystic Fibrosis). We would like to thank Delta Co-op in Macklin for donating all of the BBQ supplies so that the money raised could go to a great cause! It was great seeing so many people from Macklin and surrounding areas attend and appreciate the beautiful 1912 Market Space downtown. We would like to wish the graduating class of 2024 all the best in their future endeavors. We are looking forward to the annual Bunnock Tournament coming up quickly; if you are interested in working a shift behind the bar or at the gate, please contact one of the local Kinettes, as we would love to have you! Please note that the liquor token prices for Saturday and Sunday will be \$6.00. There will also be cover charge on both Saturday and Sunday night. Have a wonderful Summer!

VILLA MARIE NEWS

Villa Marie is excited about our "Beautify the Villa" project. We are giving new life to the front entrance and larger yard with stunning trees, garden greens, and bright flowers to welcome residents and visitors. In June, we started with the removal of the gravel, clay, and tree stumps and we also put in truckloads of topsoil. We are now ready to start planting trees and shrubs. Would you like to donate towards this project? You can donate any amount and all donors will be acknowledged on a special plaque. You could also donate towards a tree in a special individual's honour. We will then create an individualized plaque to be added to the tree to honour them. Interested? Call 306-753-2422 or email us at villamarie.helena@gmail.com

Residents enjoyed many outings in June. They had a great day at Provost and District Museum's Heritage Day. The threshing demonstration brought back lots of memories and stories of the threshing crews that would move farm to farm, how hard the farmers would work, and how busy the women and kids would be in the garden and kitchens to keep the crew fed. They also enjoyed a lovely afternoon at Sugar and Spice greenhouse and then we enjoyed rhubarb raspberry pie at Provost Golf Clubhouse and time on their putting green.

The Central Lutheran Choir from Provost is well known for their engaging performances, expressive singing, and beautiful harmonies. They gave a masterful and moving performance at the Villa. We also enjoyed a musical afternoon with the beautiful voices of Sylvia Huttges and Lori Schreck. Dan and Janet Fisher, along with Richard Stang, made music that couldn't help but make you smile, hum along, or tap your feet to. Natalie and Amanda Kloster also entertained residents with a great performance.

Villa Marie's Auxiliary celebrated summer with a barbecue for residents and are also fundraising with Delta Co-op through burger sales. Macklin Daycare joined us for outside fun: bubbles, sidewalk chalk, and popsicle treats! We enjoyed a picnic with St. Joe's residents at St. Joe's Park and had a wonderful time in the beautiful surroundings.

St. Anthony's Thank You

We would like to extend a sincere thank you to everyone who attended the Annual St. Anthony's Celebration at Grosswerder on June 13. It was a special evening honoring St. Anthony and our ancestors whose faith, foresight and sacrifices built this historical church and community.

There are many people who contribute to make this annual pilgrimage possible. We would like to thank Father Santhosh, Father Edward, Father Greg, Father Charles and Father Rinesh for their participation and support; Aurelia Gartner for helping organize the pilgrimage and being a dedicated Sacristan; Mary Lou Schachtel and the Denzil Sacred Heart Choir who inspired all those present with their beautiful singing voices; Anthony, Mathew and Daniel Witzaney for serving mass; as well, much appreciation goes out to all those individuals and families who participated in the mass in any way.

Thank you to Dean Sieben for providing the sound system; Pam Erker for supplying the flowers for the children to present; Margie Scheck for her beautiful floral arrangements to decorate the church; to the Ed Sieben family for their generous donation of food and to those who brought food to share at the pot-luck; Veronica Dewald from Prairie Girl Photography for capturing beautiful photos to treasure; Angie Steuerwald who prepares a delicious home cooked meal each year for the priests prior to the pilgrimage; Dale, Darlene and Mishaela Stang for the beautiful team of horses and to Victor Scheck for supplying the carriage to carry the priests in the pilgrimage procession Thanks to Matt Warkentin and all the outriders and to Mike Schachtel who led the procession with the statue of St. Anthony to the cemetery and church.

Much gratitude also goes out to all those who came out and helped with preparing and cleaning the church and the cemetery. We are extremely grateful to Jonathan Ollenberger and his brothers, the Jamie Kreiger family, along with anyone else who helps with the maintenance of the cemetery and church grounds throughout the year. Thanks to Ternan Farms for donating their tractor and mower and to the RM for cutting the ditches along the procession route. To anyone else contributing or helping out in any way that we may have unintentionally missed, we sincerely thank you!

Thank you to all the financial donors throughout the community and beyond for their donations throughout the years. These contributions greatly help with the maintenance of the church and cemetery ensuring their historical value. We wish to extend a heartfelt thank you to the volunteers who devote their time and efforts to maintain St. Anthony's Church, Cemetery and grounds retaining their history and legacy for both current and future generations. Sincerely, St. Anthony's Historical Society Inc.

News from the Hall

Hi all from the Hall

It looks like we are finally going to get some summer-like weather about the same time the first day of summer arrives. It has been very nice to see some much needed rains and to see the country side so green. We only had one grass fire to respond to this spring.

Remember that school is out now and we can expect to see more foot traffic around town. Be extra careful when driving now as there will be more bikes, and pedestrians out and about. Use extra caution, especially around the play grounds, the swimming pool and the park as the youngsters will be out enjoying their summer holidays. The summer long weekends will also see increased traffic on the highway as well. Expect to see many lucky campers head out to the lakes and campgrounds. Be careful on the highways and use patience when travelling this summer. Our most common call outs on long weekends are traffic accidents. Don't be one of those calls.

We had our annual summer barbeque on June 19th at the golf club house. It is always nice to sit around with the fire fighters and the fire board members and just visit. We always use this event to present service medals to members who have achieved mile stones as volunteers on our department. Congratulations to:

Cam Putz for 10 years. We always rely on Cam for his input when we are on scenes where power lines and/or other electrical issues are involved.

Greg Bast for 20 years. Greg has been our deputy for several years already.

Peter Sieben for 30 years. Peter has a great ability to access scenes, to stay calm and make good decisions on how to proceed safely and efficiently.

Garry Walz for 35 years!!! Garry has also been our trusted secretary/treasurer for the past 30 plus years. Garry's knowledge in oil field safety and protocol is a big asset to our department.

Garry did say a few words after he received his pin. He said the basics of what we do has remained fairly constant and that it is all the different people who have worked with him on the department the last 35 years is what he really remembers.

I would like to say a HUGE thank you to these fine gentlemen for a combined 95 years of dedicated service to our community and department. Your hours and years of donated time have helped get our department to where we are today. Thank you also to Chief Justin, all our firefighters and the fire board members for working so hard to keep us growing and improving. A special shout out to Corinne too as she does the fire board books and keeps their minutes as well. She does a great job!!

Some of the equipment we ordered for our grain rescue events is starting to show up. The four pieces to build a dam around a person trapped in grain are here and the auger we use to move grain is here. These tools are going to be a valuable addition to our hall and our ability to respond to more types of call. Thank you again to all the people and businesses that have donated to this project. We could not do what we do without these generous donations. We have also purchased a small enclosed trailer to carry our grain rescue and ice rescue equipment to these tools to where we need them. There is still some safety harnesses and lifting equipment we would like to add to this so if you know of someone that could help us out please get them to contact us.

If you have any questions about what we do or how we do it, please feel free to contact me or any other member of our Department.
