Call for Board Members

West Central Crisis & Family Support Centre Inc. (the Crisis Centre) is looking for volunteer board members with skills in strategic planning, financial oversight, business operations, board governance, project management, or policy development.

As a registered non-profit providing 40 years of assistance to the communities we serve, we still do not charge fees, nor refuse those in need. Board members are an integral component of the unique environment of care built on barrier-free, non-judgmental support for a wide range of clients with diverse and changing needs. Crisis Centre responses, whether provided onsite, by phone, text, online, or delivered by a select mobile team, wrap comprehensive supports around those experiencing distress. We serve people living in rural Saskatchewan, who are often faced with leaving their community to find solutions.

We are searching our service area for people dedicated to providing supports to those struggling in the grip of violence, traumatic events, predatory actions, mental illness, poverty, and addiction. The people we want on our team are:

- ✓ Community leaders
- ✓ Governmental advocates
- ✓ Business owners
- ✓ Educators
- ✓ Professionals
- ✓ Healthcare providers
- ✓ Parents/grandparents
- ✓ Community members

Board members will attend regular monthly meetings, the yearly AGM, and may be required to serve on sub-committees on occasion. They may also serve as a director or as an officer of the Board (president, vice-president, secretary, or treasurer). Board members advocate for Crisis Centre staffing, programming, and the clients we serve.

If you are interested in being considered for our board, please contact Board President, Lori McManus through our main office, by calling (306) 463-6655. We look forward to working with you in the near future.

St. Joe's is on the Go!

We have had a very busy August. Our newest resident, Pat, has had her very talented musical family visiting daily for a couple of weeks and they shared their music with us. We sincerely thank Pat's family: Bob, Jim, and Lori from Maidstone, Paul from Winnipeg, Judy from Swan River, Manitoba, and Diane from Waseca for the uplifting music. As well, Wesley from Brazil shared his musical talents and sang with the family. Wesley was in Winnipeg for six months, taking his master's in agriculture, facilitated by Pat's son, Paul. We were incredibly lucky to be joined by this wonderful family and hope to see them again soon!

We also enjoyed watching the 30th Anniversary Bunnock parade in the shade of the trees at the Villa. What a wonderful parade! Good for Macklin! Some of us visited the Prairie Oasis Petting Zoo just outside of Wilkie. The highlights were definitely the newborn piglets and baby goats!

Our Family Fun Day on August 9th started out with a classic car show. Thank you to Claude Heffner, Rob Stang, Stephen Kloster, Tim Stang, Aiden Knox, Carl Scott, John Van Den Elzen, Bill Stang, Kalen Stang, and Rob Degenstien for bringing their vehicles for all to enjoy. We had a very tasty BBQ dinner with some family, and in the afternoon, we had music by Onward – what an enjoyable day!

We have also done some fundraising this month, where we had a successful garage sale. Thank you for your donations and support. We ended up raising over \$600 for our awesome residents! We will be using this money for more live music, outings, and other recreation programming in the facility. The following day, we had our final Co-op Fundraising Friday BBQ of the season! A big thank you to the Macklin Co-op for supporting these fundraising events, we know it's a lot of work! We really appreciate all the helping hands that were lent to us throughout our three BBQs. That afternoon, the Jammers came in and entertained us, which was an excellent end to a busy day.

Evelyn and Roman celebrated their 65th wedding anniversary at a wonderful party on August 10th, and on September 13th, two of our other residents, Lillian and Nick, will celebrate 70 years of marriage! This is indeed a life sentence with no chance of parole. Congratulations to both couples!

Our caregiving students are heading back to school, all in the health care field. They do such a good job looking after us, and we know they will do well in their studies.

May September go well with a bountiful harvest.

Until next time,

Written by:

Peggy Bolton, Resident of St. Joseph's Health Center

The family of Matt Fischer is deeply grateful to so many people!

To the staffs of the Villa, Provost Hospital, and Provost Long Term Care, thank you for your help with caring for Dad during the past few years.

To Dr. Erasmus and Dr. Wang, we are so thankful for how you looked after Dad in your compassionate, knowledgeable way.

To Jeremy, Shinell, and Harold of Gregory's Funeral Home, your professional, empathetic guidance during such a difficult time was amazing. The assistance you provide is second to none!

To Father Santhosh and to each person who helped ensure Dad's funeral and lunch turned out so beautifully, thank you!

Finally, to anyone who provided food, flowers, cards, donations, masses, calls, texts, hugs... your support meant the world to us. We are so blessed to be part of the Macklin and St. Donatus communities and we will always remember the tender loving care provided for us by everyone!

***In Appreciation,
The Matt Fischer Family***

The Macklin Credit Union Legacy Centre would like to thank the generous individuals and businesses/companies for their donations to our new chair campaign!

The chairs were delivered in July and with the help of Colleen Gartner, many Coop employees, Pat Veller and the town workers, we were able to quickly unload the 26 pallets and unwrap each chair for placement in the hall.

Thank you!

On behalf of the Macklin Minor Ball Association and the Stang family, we sincerely thank Infinity Fence Inc. and the Manning Family of Provost for their generous donation of materials and labor to rebuild a ball diamond in Nate's honor. Your contribution to Macklin Minor Ball is greatly appreciated.

VILLA MARIE NEWS

Villa Marie had a ton of fun at the 30th anniversary parade of the Bun-nock Championship. We had a float filled with colourful blooms and even more colourful hats, with the theme "Hats off to the golden years".

Our Laps for the Villa fundraiser will conclude on September 6th, so there is still time to donate, with all proceeds going toward activities and outings for residents.

We plan on planting all of the sponsored trees for our "Beautify the Villa" project early in September. Keep an eye on our Facebook page for updates and pictures.

The Villa had a relaxing time with family and friends with a Funday Sundae Sunday event. Good times, with great music, laughter, games, visiting, and ice cream sundaes!

News from the Hall

There are no words I can think of to say how proud I am of the crew at the hall, that I have been working with the last month. Never in my 26 plus years as a firefighter have we seen anything like this last month. Still every time a call comes up, (sometimes 2 or 3 in a day) our members show up, put on their smoke stained gear, jump into the trucks and head out. They are doing this several times a week, at all times of the day and night and getting done what has to be done. There is a lot of physical work required on these calls. Sometimes in the heat of the day and then when we get back to the hall we have to make sure all the trucks, hoses and tools are back in service and ready for the next call. They have been doing this call after call and they never complain. They know what has to be done and they just keep doing it!! A heavy call volume takes its toll on our members and equipment but everything is ready to go before we leave the hall. Then when we get home and have our second or third shower of the day and back to other jobs again. Thank you, thank you to all our members. Let's keep on keeping on!!

I would like to thank Chief Justin and Deputy Chief Greg for all the extra work and time they are putting in at the hall trying to keep up with the paper work and making sure the trucks and tools are all ready to go. Thank you also to Stephen Lowe for working on 2 of the trucks that were having issues because of the severe service they have seen recently. He spent at least 5 hours at the hall on a Sunday and over 10 hours another day repairing wiring on one of the units that had an electrical short and burnt up a bunch of wiring. I thought that truck was going to be out of service for several weeks and somehow Stephen had it going by 10:30 that night. To have all our trucks in service is so important right now. Thank you Stephen, Greg and Cam for the extra work on that truck that day. Stephen is also in charge of keeping our Facebook page up to date as well. Thank you for that too Stephen.

Thank you also to the fire board for all the time you donate too. I know the last couple of meetings have been very challenging as well as you try to figure out how to deal with all these events. Your time

and support for our department helps us to get the equipment and tools we need to keep going on. Thank you to all of you. Thank you to the Delta Coop for the very generous donations of water, energy drinks, granola bars, etc. I told Tim you guys must have seen a wish list from us for what we needed to put in the trucks. The donation was also a real morale boost and it really felt the community is really supporting us. The timing was perfect. Thank you also to the members of the community for their private donations and those who offer us words of support. It really feels like the whole area is supporting us. This really helps us continue what we are doing.

Thank you also to Les Brown for repairing some issues on our overhead doors and donating his time on that. It is critical that these door are all functioning properly right now. Thank you also to all the places we work at who let us take off at any time and allow us to do what we are doing. This privilege is not taken for granted!! Thank you also to our spouses and families who have to listen to door opening and closing at all hours of the day and night. Showers at all hours and helping with the extra laundry that comes home from each call. Your love, support, and understanding is truly helping us get through this!!

Remember it is harvest time again and all the big equipment will be out on the roads at all times of the day and night. Please use extra care and patience around these machines. You can see them but they might not be able to see you. Also (sorry for this kids) but school will be starting up again, so use extra caution when driving while the students are going to and from school!

That's it from the hall. It has been quite a month. Please be safe everyone and let's have a safe harvest season!!!!
