**Kin Canada**  
Kinette Club  
of Macklin

Our Kinette club met on Thanksgiving Monday and were happy to show our gratitude by making a donation to the Legion Memorial. Pictured is Carry Bast with Lloyd Shapka standing on the foundation of the memorial that will pay tribute to those who served. We were also happy to grant a donation request to the Villa for a dryer for the residents.

We had two members attend the Fall Leadership Conference in Kindersley as well as take part in leadership training that was offered. They had an opportunity to learn from different presenters and chat with members from across the province to gain different ideas and perspectives to make our communities stronger.

We will be helping work the upcoming sports dinner and keep your eyes and ears open for our upcoming craft & recruitment night. Have a wonderful day!

**Macklin Medical Clinic Update**

We would like to thank our local Medical Clinic Board for purchasing a 24-hour Ambulatory Blood Pressure Monitor for use at our clinic.

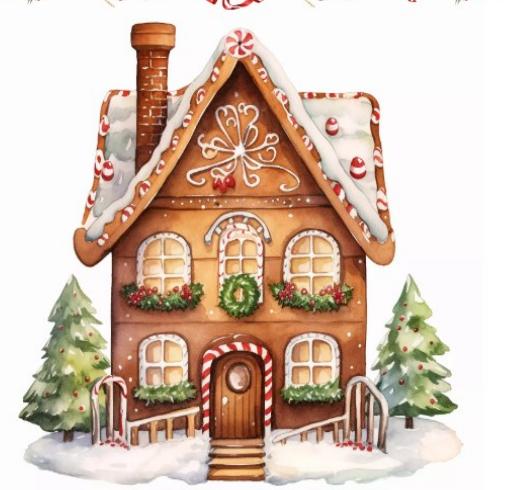

Ambulatory blood pressure monitoring is a method to measure your blood pressure on a continuous basis for 24 hours. After wearing the monitor for 24 hours, the results are downloaded onto software at the clinic. The data is beneficial in guiding treatment options. Our Physician or NP will determine if this testing is needed.

This monitor serves as a great diagnostic tool and our patients will no longer have to drive to North Battleford or Provost for this service.

The weekly walk-in clinic has been well used to date. (Monday afternoons 1:00 – 3:00, doors open at 12:50, and last patient seen will be at 2:45.)

We would like to remind everyone that even though wait times at local clinics may be lengthy, the walk-in clinic is not meant for prescription renewals, chronic disease management, discussing test results, SGI Medicals, wart treatments, and other non-urgent issues. Your pharmacist is able to offer treatment for many minor ailments, and will also extend most prescriptions until an appointment with your healthcare provider is available. If you are a regular patient at another clinic, please continue to seek service from the physician or NP at that clinic, however, we do welcome new patients that would like to transfer to our clinic. Continuity of care is not only vital to overall health and well-being, but it stabilizes the patient load at our clinic which helps us to serve you better.

Wishing all of our patients a happy & healthy fall!

- Police received a complaint of an individual breaching an undertaking condition. Insufficient evidence to proceed.
- RCMP received a complaint of theft but there was insufficient evidence to proceed.
- There were also six traffic complaints and 2 false 911 calls.

## ONLINE CRIME REPORTING

Unity RCMP are reminding people that Online Crime Reporting has been created for Saskatchewan residents to report crime in a way that is convenient, modern, and accessible. By redirecting certain crime types through this online platform, we can shift some of the workload away from front line personnel. **The website can be visited at:**

[ocre-sielc.rcmp-grc.gc.ca/saskatchewan](http://ocre-sielc.rcmp-grc.gc.ca/saskatchewan)

**What types of crime can be reported online through the OCR tool and processed by the CBU?**

- Fraud & Scams:** any type of fraud that is under \$5,000 (e.g. CRA scams, compromised personal identity information, internet/telephone-based frauds, etc.).
- Vandalism Damage:** any type of damage to property that is under \$5,000 (e.g. Canada Post mailboxes, fence spray painted, oil field sites, etc.).
- Lost & Stolen Property:** any type of stolen or lost property under \$5,000 (e.g. theft from a motor vehicle – including catalytic converters or car batteries, theft of mail, bikes, copper wire, etc.).
- Traffic Offences:** traffic complaints when direction of vehicle is unknown, the licence plate unknown, or incomplete vehicle description (e.g. loud muffler, stunting/erratic driving, speeding, etc.).
- Harassing Phone Calls or ECommunication:** involves social media or text messaging. \*Does not include threats of violence or sextortion.

If the incident being reported meets the one of the above criteria but there is a witness or suspect, the public is being directed to report the crime to their local RCMP detachment.

## News from the Hall

Hello All from the hall.

Well that was fun!! 2025 Fire Prevention Week has come and gone again for another year. It was a busy, but fun week. On Tuesday, Justin and I went to the Villa and spoke to the residents and staff about fire safety. The theme this year was "Charge into fire safety: Lithium Ion batteries in your home". We talked to them about the proper use of chargers for phones and tablets, and reminded them to only charge devices on flat hard surfaces. They all listened very attentively and had some very good questions afterwards. I was even invited to one of the residents rooms as they had more questions and they wanted to make sure they were doing things correctly. We also talked to them about what they should do when the smoke alarms go off in the building. It was a very rewarding experience and I think we all learned something that day.

On Wednesday, we had just under 120 kids from the school and day-care come visit us at the hall. Each class came with their teachers and aides and the older ones were invited up to our meeting room for a quick lesson. We talked to them about how a fire drill at home should be the same as the fire drills they do at school. When the smoke detectors go off they should all get out of the house and go to a "meeting place". Just like they do at school. We had some really good discussions as to why it is so important for the whole family to know where to go when the alarms sound. After talking to them about the escape plan, we talked about the importance of staying low and going to the door, feeling the door to see if it is hot and then going outside to the meeting place. We had a little table, lamp and cot set up in the room so we asked for a student volunteer to see what they would do if something happened while they were sleeping. When the student was laying in the bed we waited for a while, and then we turned on a smoke machine we had hidden under the cot. When the smoke came out (It is actually a fog machine that produces non toxic "Smoke") we waited a few seconds and then sounded the smoke alarm. The student would then wake up, go to the door and exit the room. All the students watching got very excited and offered up opinions on what was done right and what they could have done differently. It is harder to think straight and fast when a smoke detector is going off and there is smoke in the room. After they did their lesson we took them back downstairs and let them see the trucks and answered any questions they had. We also got one of the firefighters to put on all their turn out gear so the children could see what we might look like if we come into the school or their house in the event of a fire. The daycare kids and the pre k and kindergarten kids didn't get the lesson up in the meeting room but we talked about the importance of working smoke alarms. We showed them what a firefighter looks like in turn out gear and stressed to them that a firefighter is your friend and you shouldn't hide from them if there is smoke in the school or your home. We also showed them the trucks and flashings lights and we even sounded the sirens for them when they left.

I would really like to thank the teachers for making time in their busy school schedules for bringing the students to the hall. I hope you all had fun and learned something that day. We sure did! Thank you to Terry, Cody, Mihai, Greg and Justin for taking some time to come and help with the lessons. All the teachers who brought their students, also brought a class list and from all the names one was drawn for a

ride to school if the fire truck of their choosing. This year we picked up Emelia at her house (She was even dressed as a firefighter) before school with the Rescue Van and took her to the Firehall. We showed her all the trucks and asked which one she wanted to ride to school. She asked which is the biggest one? We showed her Engine 2. "I'll take that one!!" She said. So Amy and I got her in the truck and went down the highway a little way and turned on the sirens for her. She kept on saying how much fun this was and how awesome it was. She sure made it fun for us too. Then we pulled up to school a 8:45 and let her turn on the lights and siren again. Her class and another class were waiting on the sidewalk and everyone was smiling and cheering. It was a really fun morning!! Thank you Amy for helping with this.

Call wise. It has been quite busy with combine and field fires but most haven't been too bad. There was a mold or fungus in the canola this year that really stuck to the combines and if it got near the exhaust or if there was a static spark it could start burning. In most cases the combine wasn't even damaged but it is very tense for a while for the operator. Unfortunately one combine was a total loss. It is the first time in 28 years on the department that I have seen conditions like this.

That's all from the Hall. Be safe everyone until next time!!

## Hello, from St. Joe's!

We hope you had a nice Thanksgiving! We here at St. Joseph's have so much to be thankful for. We have a nice, clean home, great meals, and caregivers who really care and look after us so very well. We are very lucky to have such a wonderful group of people taking care of us.

Sadly, on October 3rd, Marlene Smith passed away. Our condolences to her family, friends, and fellow residents. We miss her dearly.

At the beginning of the month, Sylvia and Lori entertained us and did a great job! We always enjoy having them come to play and sing for us.

We also had our monthly birthday party, celebrating a couple of residents and a few staff members as well! That cake was gobbled up in a flash.

On October 21st, our much-awaited Soup and Stretchie Day arrived! We were treated to homemade chicken noodle soup and stretchies. Thanks to our cooks, Janice and Janice! I ate so many

stretchies, I asked the nurse for something to treat "pig-it's". Still waiting for a cure.

Our resident council meeting was held on October 16th where we discussed different topics that affect us and our home. It is really nice to be involved in what is going on, so we are all in the loop. One of our favorite times of the month is when our Senior Buddies come to visit! They are all excellent readers, so polite, and very well-mannered. We love having visits from the Grade 4 class! Beware of the ghosts, goblins, and witches from St. Joe's on Halloween! We will have candy, so bring your treat bags, dress up in your costumes, and come on down!

A seasonal joke to end our article:

Why didn't the Jack-o'-lantern propose to his girlfriend?  
He didn't have the guts!

*Stay well, until next time,*

*- Peggy Bolton, St. Joseph's resident*

## VILLA MARIE NEWS

It has been a very busy last 4 weeks around the Villa Marie.

We went for a fall drive around Macklin and Macklin Regional Park. It was a beautiful, clear, warm day with the fall colors all around us.

We have had many little visitors this month-Macklin Daycare, Macklin Afterschool Program, and the Grade 2s. We did crafts, word searches, and lots of visiting. They sure have energy which we all wish we had!

We have been enjoying chair yoga. Our group seems to be getting bigger each time it is scheduled.

Karen and Kellie took a large group of residents for an afternoon drive to Dillberry Lake. The weather was cooperative with sun and blue skies. A picnic was had with coffee, tea, and snacks at the picnic area.

Our Border Buddies from Provost Hillcrest Lodge invited us to Provost for an afternoon of fun and games. We took part in their Oktoberfest festivities. It was a great outing and an enjoyable afternoon of visiting and practicing up on our German words!

On October 16th, the Villa Marie had a shopping day out...in! The residents were able to shop for clothing, jewelry, chocolates, makeup, and soaps. We had a tea and snack time which was open to the community. It was a lovely day for all.

October 23rd, was a very busy and fun day!! We hosted the Villa Marie Oktoberfest Fundraiser! It was a day full of music and

dance, visiting, and German food. We had Kraut Suppe and Beer Buns along with Kuchen for dinner. Supper was open to the community and included schnitzel, Oktoberfest sausage, glace with sauerkraut and onions, German green beans, and black forest cake. We had live music by Gabe & Gail in the afternoon and The Jammers in the evening. It was a wonderful day, and evening had by all. Thank you to the community for their support.

Follow us at Villa Marie Macklin on Facebook for more photos and news.

*Thank you*

We would like to thank the following donors who have contributed to our upgrading project at the Villa Marie:

Darryl Feser  
Alliance Developments Inc.  
Bogey's Cattle Co. Inc.  
Macklin Tire  
Isaman Chopek Chartered  
Professional Accountants LLP

*From the Villa Marie*

Thank  
You

We would like to extend our heartfelt thanks to everyone who offered their condolences, sent food, cards, flowers, and shared kind words during the recent loss of our sister and

aunt, Marlene Smith. Thank you to the Evesham community ladies for helping at the funeral luncheon. Your thoughtfulness and support have meant so much to our family.

A special thank you to the staff at St. Joseph's Health Centre for the outstanding care, compassion, and dignity you showed Marlene throughout her time with you.

Your dedication and kindness will never be forgotten.

*With sincere gratitude,  
The Family of Marlene Smith*

**Tony Reine**  
December 10, 2006  
September 17, 2025

*On behalf of the entire Reine family, we want to extend an indescribable thank you to all of you who sent prayers, food, gift cards and help of all kinds.*

*It is in times of great tragedy when we see the goodness in each other. We love and appreciate our friends, family and community and thank you all for the support.*

*We thank Father San, Father Benedict and Bishop Mark for the prayers, sacraments and masses said for Tony. To Gregory's Funeral Home, thank you for your support and guidance through this very difficult time.*

*Sincerely with Love,  
Marla, Aaron, Devlan, Wyatt and Zander Reine*

## MACKLIN LIBRARY

Congratulations to the winner of the Blackout Poetry contest – \$25.00 Chapters/Indigo gift card!

We will be closed on Tuesday, November 11 for Remembrance Day.

We are having a Dogman Scavenger Hunt...can you find everyone who's hiding and win a prize? There is also different Take and Make bags available every week until January 1 - stop by and pick one up.

Our book display this month is called Know-vember...come down and check out a non-fiction book.

Christmas in Our Town is on Friday, December 5 and we will be open from 3:30 – 8:30. There will be hot chocolate and goodies from 6 – 8. See you there!

Beginning December 4, we will be hosting our 12 Days of Christmas Auction on our Facebook page. There will be a new item offered each day for twelve days ending December 15. The items will be up to bid on from 10:00 AM until 6:00 PM each day. Good Luck!

*Questions? Call Jennifer 306-753-2933 or  
email [macklin.lib@lakeland.lib.sk.ca](mailto:macklin.lib@lakeland.lib.sk.ca)*
